NEW BUSINESS

- A. Discussion on Adams Property—Sell, Rent, or Keep:** The City Council discussed the Adams property which is located near the sewer plant on River Street. Mayor Williams asked if we should hang on to it, and it was about time we talked about it. The general consensus was to keep the property for now and not worry about selling it or renting it.
- B. Discussion on City Code—6.04 Animals and Poultry:** Ann Curtis was featured for this discussion, but she was under the impression that chickens were not allowed within the City limits. **Chapter 6.04.090 states it is unlawful for any person to keep any chickens, ducks, geese, turkeys or other poultry within the city limits, except the same shall be confined within a shed or other enclosure sufficient to retain the same and prevent them from trespassing upon the streets, alleys and other property within the city limits.** With this in mind, the council then discussed the potential problem of having roosters and their crowing. Chief Clark, stated the only complaints are from people who have roosters and for them running at large Mayor Williams suggested passing an ordinance of no roosters within City limits, but to first hand this discussion to the Parks and Recreation Committee.
- C. State of Idaho—Revenue Sharing:** Mayor Williams stated that at the Association of Idaho City's meeting, they discussed that with all of the budget shortfalls, they are definitely talking of the possibility of revenue not being sent on to the cities and counties, potentially \$83,000 to the City of Payette, which would be a huge reduction in our funding. With this being mentioned, Councilor Hanigan stated it is over 50%. Mayor Williams wanted to bring up this discussion because this needs to be on everyone's mind that we might have a lot less money if it's not passed on to the state. Clerk Cordova, stated that the City should know before the legislative session is over whether or not they are going to mess with this or not. Clerk Cordova went on to say some of the legislators are under the impression that the cities aren't doing as bad as the State. Councilor Hanigan asked if this will affect this current budget year or next and Clerk Cordova had confirmed that this is for the next budget year.

GENERAL DISCUSSION

Councilor Hanigan brought up that she has been in touch with Helen Dickenson in regards to Ontario, Oregon is bringing in a gang awareness presentation on April 7th presented by Victor Castro. This presentation is called 'Keeping our Kids Safe' and it will be at the Cultural Center with free admission. Mayor Williams stated the more uncomfortable they make it for gangs, the more likely it is that they will leave for the next town. Councilor Heleker stated that the police force has done a great job keeping our gangs out of our town.

MAYOR'S INFORMATIONAL POINTS TO THE COUNCIL

Mayor Williams asked if anyone had gone down to the gun and knife show this last weekend. Councilor Hanigan, Councilor Nelson, and Mayor Williams had gone to the event. Mayor Williams discussed 'Breakfast with the Mayors' with the Council. 2011 Arbor Day Grant Program "PLANTING IDAHO"

RECEIVED
MAR 23 2011
CITY OF PAYETTE

CONGRATULATIONS!

City of Payette

You Have Been Awarded a 2011 Arbor Day Grant of \$300!

The Idaho Nursery and Landscape Association (INLA), in cooperation with the Idaho Department of Lands (IDL), Avista, Idaho Power, and Rocky Mountain Power congratulate your community as a recipient of a \$300.00 grant to assist in your celebration of Arbor Day 2011. We hope this event will encourage the members of your community to realize the important benefits trees provide, recognize the appropriate species of trees for various locations and promote a healthy community forest.

PLANTING IDAHO's cities not only add beauty, but also improve the environment, making your community more inviting to visitors, and increasing economic value in both downtown and residential areas. Let Arbor Day 2011 help your community to focus on the benefits that trees and tree care can provide for everyone in town.

We are encouraging INLA members to participate in the celebration, and for residents of all ages to enjoy the planting of trees that helps to make their community a great place to come home to. This is a chance to unite INLA member nurseries, the sponsoring Utilities (whose donations make this program possible) and communities in showing the public the critical role of trees in our cities and towns. For Arbor Day ideas visit this website www.arborday.org/arborday. And for locations to purchase quality plant material please visit the INLA website at www.inlagrow.org and click on "Locate A Professional" or choose the icon on the home page of the **Idaho Yard and Garden Compass**. INLA nurseries that are locally owned employ members of your community and offer their expertise in plant material placement and planting.

Reimbursement for this grant is only offered for the costs of trees, shrubs and related materials necessary to plant or care for them (such as mulch, fertilizer, etc.) purchased from INLA member nurseries, which must also be licensed through the State of Idaho. If you have difficulty locating a member in your area, contact our office and we will be happy to assist you.

You will find enclosed a simple "Accomplishment Report" to be used for requesting reimbursement. Please include all costs for the event including in-kind and donated services/materials so we can accurately report the "total" cost of Arbor Day celebrations. Receipts and proof of payment for the \$300 in eligible grant expenses and a completed W-9 tax identification form (see enclosure) are required to be included.

Reimbursement requests MUST be received no later than June 30, 2011.

Communities not submitting reimbursement requests by this date will forfeit payment. Please retain documentation to show your city's minimum cash match or in-kind donation match of 25% for your files.

Once again, **CONGRATULATIONS!**

Sincerely,

Ann Bates

6:00 PM – Regular Meeting

ROLL CALL

Members Present: Choate, King, Franklin, Ladley, Hanigan (late 6:04 pm)

Members Absent: Youngberg, Hogg

Staff Present: Mary Cordova, City Coordinator/Clerk; Tiffany Howell, Assistant Deputy Clerk/Treasurer

APPROVAL OF MINUTES

A motion was made by Franklin and seconded by Ladley to approve the regular meeting minutes of 1/27/2011 as written.

After a unanimous voice vote by the Commission, the motion CARRIED.

COMMUNICATIONS

None Heard.

OLD BUSINESS

A. Design review guidelines –

The commission discussed different ways to precede with the design review guidelines. It was discussed among the Commission that they want to make this a very easy process and do not want to make it so cumbersome that it deters people from bringing their business to Payette. Commissioner King stated that he feels that the City of Jerome's Design Review Guidelines is too restrictive. Commissioner Hanigan stated that he would like to see this stay more in the downtown area not residential as he feels that people who purchase their property should have a say so in what they do to their home, landscape and etc. Commissioner Franklin stated that the purpose of tonight's discussion is to come up with a purpose statement for the City of Payette.

A motion was made by Franklin and seconded by Hanigan to approve the following the design review purpose statement:
The Design Review process protects property rights and values, enhances important environmental features of the City and ensures that the general appearance of buildings and site improvements are consistent with the goals of the City.

After a unanimous voice vote by the Commission, the motion CARRIED.

NEW BUSINESS

A. Snake River Transit –

Clerk Cordova stated that the City currently has benches along the bus stop route that has advertising on them that is approved by the City. This is the only off premise advertising allowed within the city limits. Ms. Cordova stated that the Snake River Transit wants to put benches along the cities right of way and attach brackets to the back of the benches to allow advertising to generate revenue. Clerk Cordova stated that the City would have no say so on what advertising is displayed. Our biggest concern is a bus bench in an A-residential district and you have a very inappropriate advertisement on it. Commissioner Choate asked if there was even a need for the benches, and the reason I say this is because in the bigger cities they have a blue sign that says "The bus stops here". Commissioner Ladley asked if Snake River Transit will be paying us for the advertising of use of our right of way. Clerk Cordova stated no, we pay Snake River Transit \$15,000 a year and they want to run all advertising through the Argus Observer.

A motion was made by Hanigan and seconded by Ladley to recommend to City Council to not allow advertising on the Snake River Transit benches.

After a unanimous voice vote by the Commission, the motion CARRIED.

B. Building Code Changes/Update

Clerk Cordova stated that these are just for your information and we feel that these will be the ones that are going to get the most grumbling over.

C. No new off Premise Sign

Clerk Cordova stated that we currently do not allow off premise advertising or non-accessory signs, but the code defines it as being allowed as long as it is smaller than 4'x8' sign. We have not been allowing it because item d in our code states there are no new off premise advertising. Noah Rae now has a new off premise sign advertising the sheds he now has on his property. Noah Rae stated that the sign is less than 4'x8' and we are going to keep it. My question is do we want to change the existing code or do you want signs all down HWY 95. State of Idaho says you cannot have a sign that is on a vacant piece of property, so because Noah does not have a business on his property that has been in operation for 6 months, he will have to take it down. Clerk Cordova asked if we want to allow 4'x8' signs throughout the town. Commissioner Hanigan stated as a business owner I am torn about this issue because I would love to be able to advertise my business more, but I do not want to drive down the road and see signs plastered everywhere. Clerk Cordova stated that the intention was to not allow any new off premise advertising.

A motion was made by Franklin and seconded by Hanigan to make a recommendation to City Council that we amend Payette City Code section 15.28.070 item A deleting the end of the paragraph that reads "and are of a size being four feet by eight feet (4'x8') or larger."

After a unanimous voice vote by the Commission, the motion CARRIED.

ADJOURNMENT

A motion was made by Franklin and seconded by Haniganto adjourn to at 7:25 PM.

CITY OF PAYETTE, IDAHO

AGENDA STATEMENT

To: Honorable Mayor & City Council
From: Bobbie Black, Deputy City Clerk
Date: 4/1/2011
Re: Pool fee increase

BACKGROUND & JUSTIFICATION: The City of Payette held a public hearing on increasing pool rates in October 2010. When the rates were presented there was an over site on pool passes ages 18-63. They amounts were actually reduced from \$180.00 to \$140.00 for residents and \$240.00 to \$170.00 for non-residents. The correct amounts should have been 1 year resident - \$200.00 and 1 year non-resident \$260.00.

FISCAL IMPACT: \$20.00 per pass sold

RECOMMENDATION: Recommend that City Council approve the pool pass rates for ages 18-63 for a 1 year resident pass - \$200.00 and a 1 year non-resident pass for \$260.00.

RESOLUTION NO. 2011-03

A RESOLUTION OF THE CITY OF PAYETTE, IDAHO, ADOPTING AND SETTING CERTAIN FEES AT THE PAYETTE MUNICIPAL POOL.

WHEREAS, rates at the pool have not been raised in the last two years; and,

WHEREAS, the Council held a Public Hearing on April 4, 2011 and has reviewed the current swimming pool fees and determined that an increase in fees is needed to offset the rising operation costs and to increase the financial self-sufficiency of the Payette Municipal Swimming Pool.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF PAYETTE, IDAHO:

Section 1: The following fees are hereby adopted and those fees shall be charged by the Payette Municipal Pool:

Pool Passes:

1 Year non-resident	\$260.00

Section 2. This resolution supersedes and replaces any portions of any resolutions which conflict with the fee schedule adopted herein.
