

RESOLUTION NO. 128

WHEREAS, The City of Payette owns and operates a domestic water system for the benefit and pleasure of all the citizens;

AND WHEREAS, The said water system is in trouble because of the failure of Well #16 and the rapid decrease of capacity of Well #15 an immediate solution must be found for the benefit of the citizens of the City;

THEREFORE, The Mayor and City Council of the City of Payette, Idaho, do hereby declare an emergency does exist as set out in Idaho Code 50-342, and therefore will immediately use such authority under an emergency to pull the screens from Well #16, and such other work as deemed necessary.

PASSED and APPROVED this 7th day of February, 1983

Dick E. Butcher, Mayor
