Re: Ordinance #1343

BB

-
1. **BACKGROUND & JUSTIFICATION:** Our current code on circuses, carnivals, dances and etc. states that a \$5.00 fee is required to obtain a license. A special events permit is required per City Code to these functions. Changing the code to delete the \$5.00 fee and stating that a special events permit is required will allow less confusion for the applicant.

FISCAL IMPACT: Revenue of the \$5.00 fee, of which we have only had one applicant in the last year.

RECOMMENDATION: The Admin/Finance Committee made a recommendation to City Council to approve the changes. Recommend that City Council approve Ordinance #1343 as presented with the minor changes to current city code.

ORDINANCE 1343

Re: Application for Credit Card Processor

- 1. BACKGROUND & JUSTIFICATION:** The Payette Municipal Airport has purchased a fuel tank and a self service kiosk to purchase fuel. I have done research on the most cost efficient provider for processing credit cards at the kiosk. GCG Consulting has the best monthly rates and has the lowest transaction fees.

FISCAL IMPACT: GCG Consulting charges \$0.20 per transaction, with a monthly account fee of \$6.50 and a monthly statement fee of \$8.50. Visa charges \$1.40 and Mastercard charges \$1.68 per transaction to use their cards. For fuel purchased in a single transaction the approximate charge to the City will range from \$1.60 to \$1.88 for that transaction, not including our monthly charges. We have researched this thoroughly with other companies, and this company is the lowest for the service provided.

RECOMMENDATION: Recommend that City Council approve the Mayor to enter into the merchant agreement with GCG Consulting to accept credit cards for fuel dispensing at the Payette Municipal Airport.
