**MINUTES  
PAYETTE CITY COUNCIL  
Work Session & Regular Meeting  
December 17, 2012**

**6:00 PM – Work Session**

**ROLL CALL**

Members Present: Mayor Jeff Williams, Mark Heleker, Lee Nelson, Jeff Sands, Craig Jensen, Georgia Hanigan and Ivan Mussell

Members Absent: None

Staff Present: Mary Cordova, City Coordinator; Jennifer Kelley, Deputy City Treasurer/HR, Randy Schwartz, WWTP Superintendent, Mark Clark, Chief of Police; Doug Argo, City Engineer, Jamie Couch, Street Superintendent, Steve Castenada, Fire Chief and David Platt, Police Captain

Public Safety Committee Members: Alan Massey, Larry Dove, Barb Choate

- A. Folke CPA: Tim Folke, CPA, presented the FY 2012 audited financial statements. The audit went well and he explained some fund balances. It was a successful audit with not issues. It was asked if there was anything to cause alarm or excessive. How do we compare with surrounding communities? Mr. Folke said Weiser is comparable, but we shouldn't take comfort that we are comparable to other cities. We should be different. He said he would let the Council and Mayor know if there is anything out of line or odd. The City is doing a good job and are to be commended.
- B. Personal Appearance Standards – Fire Department: Steve Castenada, Fire Chief, addressed the Council. He wants to put a personal appearance standards policy into place for full-time and volunteer staff. Everything in the policy, the department has done for years, but he would like an actual policy for reference. It is modeled after the police department policy. The Mayor commented that professionalism is important, the more professional you look the better. Larry Dove of the Public Safety Committee said it makes common sense. Alan Massey of the same Committee said he sat down with both Chiefs and thought it was a great idea and supports the policy. Barb Choate agreed.
- C. Personnel Policy Addition – Police Department: Police Chief Clark addressed the Council with program requests – Shift Differential Pay, Field Training Officer Pay and a Volunteer Physical Fitness Incentive Program. He spoke of the SDP and the high return for minimal investment. There have been studies conducted that shift work is harder on a person physically, mentally and socially. Paying officers shift differential pay makes sense, it been done for years in the private sector. Some departments in Idaho offer it, but we would the first of our size. It's a recruitment tool and displays a level of value in our employees. The costs were discussed = about \$1250 per employee for swing and \$1865 per employee for graveyard. Swing shift pay is \$.50 per hour with graveyard at \$.75 per hour. The Public Safety Committee members in the agreed with it and a couple were surprised we didn't offer it already. There are 7 patrol officers rotating these shifts so not the same officer is working a repeated shift, whether it be day, swing or graveyard shift. The Field Training Officer policy would pay an officer 5% of their base salary during training a new officer. Mark said this is common practice in law enforcement and hopefully he won't have to use it very often. The last time we hired an officer was in 2009. Chief Clark explained the Physical Training Fitness incentive of \$500 to pass the POST certified physical fitness requirement. No police departments that have a physical fitness requirement. At hiring there is a POST requirement and upon attending POST, but not afterwards. If an employee passes the physical test in the spring and fall they could receive \$500.

The work session ended at 6:59 PM

- C. Hangar Lease – CPI Increase – Frazer Peterson was present. The Idaho State Aeronautics Committee was at our airport a couple of weeks ago and he said they were appreciative of things happening at our airport. He said small airports structure leases different ways – some charge for square footage or frontage. We currently charge .08 - .16 per square foot of leasing space and we should try to set a fee. Ours is tied to a CPI and most cities don't work that way. He asked about eliminating the CPI or justify the reason for the CPI every year. He said we are selling a lot of fuel and the mogas is selling well. Frazer said he is now the Committee Chairman and it was brought up in the Airport Commission meeting to bring this issue to the City Council. He also gave a kudos to the street crew for their maintenance at the airport.

A motion was by Mussell and seconded by Jensen not to increase the CPI this year for the hangar leases.

Mr. Jeff Williams  
Mayor  
City of Payette  
700 Center Ave.  
Payette, ID 83661

Dear Mayor Williams and City Council Members:

Coming up very soon Hardin Sanitation will undergo a change of ownership. We are excited to announce the sale of our business to Waste Connections. Waste Connections is a company which will bring a number of opportunities for our employees and to the area. They will work closely with us during the transition and our longtime customers will not notice a change in the quality service we have strived to provide.

Hardin Sanitation has been a family owned and run business in Payette and the surrounding county for the past 57 years. Our family has truly appreciated the loyalty of our customers in Payette. It has certainly been our pleasure to provide our services all these years. Thank you for the opportunity.

Sincerely,

Curt Hardin  
President – Hardin Sanitation

## City Officials' Day at the Capitol

**Register Now!**

Thursday, January 31, 2013

Each year, the Idaho Legislature makes critical policy decisions that impact cities—decisions affecting property taxes, state shared revenues, annexation authority, city water rights and many other areas. It is essential that all city officials are engaged with legislators and informed of these critical issues.

Plan now to attend the AIC City Officials' Day at the Capitol on Thursday, January 31, 2013. During this event, you will gain insight into the legislative process, have opportunities to communicate with your legislators and become informed about important legislative issues facing Idaho's cities.

We ask that you call your local legislators and extend to them a personal invitation to attend the Legislative Luncheon. A personal invitation from you is essential to ensuring a successful luncheon, and your effort is appreciated!

Thomas Ladley

Members Absent: Randy Choate

Staff Present: Mary Cordova and Tiffany Howell

**APPROVAL OF MINUTES**

A motion was made by Hogg and seconded by McElravy to approve the regular meeting minutes 09-27-2012as written.

After a unanimous voice vote by the Commission, the motion  
CARRIED.

**COMMUNICATIONS**

None Heard.

**PUBLIC HEARINGS**

The public hearing opened at 6:00pm.

- A. An application by Mike Moon for a Variance to the side and back setback at 2065 3<sup>rd</sup> Avenue North, E 35.52' Lots 2 & W 55.54' Lot 3 of Uehlin's 2<sup>nd</sup> Sub. The property is zoned A-Residential.

Walt Neitz – 2422 12<sup>th</sup> Avenue #323; Nampa, Idaho

I was contacted by my client Mr. Moon to find out if the garage encroached on the neighbor's property and it did. The house was built back in the 70's and they created a well that serviced all three of those lots, however the position of the garage was determined based on the location of the well. Originally the property was surveyed to the north for the Uehlin's and we set a corner for the lots to the north and I'm not sure if the contractor thought that was the corner of Mr. Moon's lot, but it was not accurate. The corners between the two lots are about 8 foot apart, so it is presumable that is what he thought. Commissioner Hogg stated that for us to approve a variance we have to find just cause for approval. In this case how can this fall under this. Mr. Knight stated that he can move the garage, but that will then deny access to the well. At the time the lots were established there was no city water available. Clerk Cordova stated that if you are within 250 foot of city water you are to hook up if the well ever goes bad. Commissioner Hogg asked if pipes could be re-routed if the setbacks were to be maintained for the well. Mr. Neitz stated that it is strictly just access to the well itself. Commissioner McElravy stated that the agreement between the neighbors states that nothing can be placed in the easement. Commissioner Hanigan asked if the garage is permanently attached. Mr. Neitz stated that it is a metal building on a slab, but I would assume it is bolted to the concrete.

Mark Moore – 2035 3<sup>rd</sup> Avenue North; Payette, Idaho

Mr. Moore stated that they own the property next to theirs, which is in question. In September Mr. Moon approached them stating that garage was on their land and that it causing a delay in the sale of the land. Mr. Moore stated that Mr. Moon did offer to buy the land, but they needed time to think about it. Mr. Moore and his wife have thought about it and they do not want to sell, they worked too hard to give up their land. They are not insisting the lot to be torn down or moved, but we are not ever giving up our right. Mr. Moore stated that he has concerns about the future construction of his land and we have con. We just heard tonight that if the well ever goes bad that we have to hook up to city, and that opens up a can of worms for us. Commissioner Franklin stated that he said they didn't see. Commissioner Ladley asked if there would be a problem when he tries to sell his land. Mr. Moore stated yes. This is our final home and when this is left to our children they will probably want to sell and there will be an issue then. I don't know how the mortgage end of it works, but I could see a problem. Mr. Moore stated that Mr. Moon has attached a pin gate and if there is an issue with the well they would take the pin gate off and they would use our shared driveway. Mr. Moore stated that the bottom line is that we do not want to give up our right to our own property. Commissioner Hogg stated that the fact that it is on your property seems line it is an issue between you and your neighbor. Commissioner McElravy asked Clerk Cordova if Mr. Moore wanted to build a storage unit would there be an issue with setbacks. Clerk Cordova stated yes. Mr. Moore stated that is one of the issues we are concerned about is the rights to our own property.

Hazel Griffin – 2085 3<sup>rd</sup> Avenue North

Mrs. Griffin stated that her only issue is getting a truck into service that pump. If we have to back a truck in there we are going to break a lot of sprinklers and mess up his lawn. Mrs. Griffin stated that Mr. Moon's garage is right next to the gate which is our access into the well. Commissioner Hogg asked Mrs. Griffin if she is opposed to the variance. Mrs. Griffin stated no.

Clerk Cordova asked if there were no trees next to the other property line would a truck be able to get down there? Commissioner Franklin asked if a truck could access the property between Mr. Moon's and your house. Mrs. Griffin stated no.

- B. An application by Mike Moon for a Conditional Use Permit for an existing 600 square foot garage at 2065 3<sup>rd</sup> Avenue North, E 35.52' Lots 2 & W 55.54' Lot 3 of Uehlings 2<sup>nd</sup> Sub. The property is zoned A-Residential.

Walt Neitz – 2422 12<sup>th</sup> Avenue #323; Nampa, Idaho

Mr. Neitz stated that they need to have a conditional use permit for the garage since they didn't get one to begin with. Commissioner Hogg asked why they didn't do this previously. Mr. Neitz stated that the Moon's were told that the contractor complied with all the building regulations and the contractor has since left the state.

- C. An application by Preston Reynolds for a Conditional Use Permit to construct a detached 24x24 sq ft garage at 2066 3<sup>rd</sup> Avenue North, Lots 10 & 11, Block 3 of Deckers 2<sup>nd</sup> Subdivision at. The property is zoned A-Residential.

Preston Reynolds – 1301 South Tear; Meridian

Mr. Reynolds stated that they are just putting up a 24x24 storage building and that he has a request of the Commission to approve the building permit and the certificate of completion before we would need to complete the lot line adjustment. Commissioner Franklin stated if he would need a variance. Mr. Reynolds stated that he miss spoke and that he will not need to do this. He doesn't want the City engineer to come back and stop construction because they need a lot line adjustment. Clerk Cordova stated that the prior building Mr. Reynolds did crossed over two lot lines and this one does not.

The Public Hearing closed at 6:37pm.

### **NEW BUSINESS**

#### **A. Preston Reynolds – Conditional Use Permit – 2066 3<sup>rd</sup> Avenue North; Payette, Idaho**

A motion was made by Hanigan and seconded by Ladley to approve the conditional use permit at 2066 3<sup>rd</sup> Avenue South to construct a 24x24 garage and that the permit can be revisited upon complaints

After a unanimous voice vote by the Commission, the motion CARRIED.

#### **B. Mike Moon – Variance Application – 2065 3<sup>rd</sup> Avenue North; Payette, Idaho**

A motion was made by Hogg and seconded by McElravy to send a favorable recommendation to City Council for a variance application at 2065 3<sup>rd</sup> Avenue North to the side and back setbacks.

After a unanimous voice vote by the Commission, the motion CARRIED.

#### **C. Mike Moon – Conditional Use Permit – 2065 3<sup>rd</sup> Avenue North; Payette, Idaho**

A motion was made by Hanigan and seconded by Ladley to approve the Conditional Use Permit Application by Mike Moon at 20653<sup>rd</sup> Avenue North to allow a pre-built 600 square foot garage contingent upon the following: must apply for a building permit, must meet all lot setbacks, and that the permit can be revisited upon complaints.

## AGENDA STATEMENT

**To:** Honorable Mayor & Members of the Payette City Council  
**From:** Mary Cordova *M. Cordova*  
**Date:** 1/4/2013  
**Re:** Surplus Timing Equipment

---

### **BACKGROUND & JUSTIFICATION:**

In doing some housecleaning at the bandshell, the Parks Department discovered an old timing system previously used at the pool facility. The system is not functional, and has no salvage value.

### **RECOMMENDATION:**

We ask that the Council make a motion to declare the system as surplus, approve the disposal of the equipment.
