GENERAL DISCUSSION

Ann Curtis informed the group of a project the museum is working on to do during Apple Blossom. It will be a US map with Payette County on it and people will place string on it from where they came from. It was a bit hit in Boise. After completed maybe put into a booklet. They are trying to place at Posey building and if so the Idaho Hall of Fame would like to bring their kiosk over.

Ms. Curtis also asked the Commission is they had seen the New Plymouth newspaper and stated that Fruitland might also be starting a newspaper.

Liz Amazon addressed the group. She talked about the City becoming a certified local government and what that would do for the downtown revitalization. The Commission was asked to do research on what criteria it would take to become certified. She also told the group about the meeting with Jerry Miller tomorrow at the Library at 5:30 pm discussing what other Idaho towns have done for downtown revitalization.
