**OLD BUSINESS**

1. Idaho Historical District Book – The Commission discussed that the first thing that they need to decide is where we want our Historic District. Discussed that downtown would be a core place to start. Discussed which came first the historic district or being on the register. Ann Swanson had recommended to the Commission to have public meetings for the people that would be affected. Need to know the pro and cons before proceeding to form the district. Talked about doing research first on some of the historic buildings. Don Belvoir stated that ordinance #181 changed all the street names years ago. The Commission came up with a priority list of the building they would like to do first. They are as follows: Old City Hall, Goodman Oil building, Chase House, Moss building (Senior Citizens), IOOF Hall, Woodward building (Greifs), Jacobsen Building (barber shop), Masonic Temple, Portia Club and Museum.
