ENCROACHMENT PERMIT NOTES

1. Permittee shall notify the City to set up an inspection time at least 48 hours prior to the start of any work. The name and phone number of the assigned inspector will be provided on the permit. This condition also applies to restart of the job when closed down by rain or other reasons for more than 10 days.
2. The permittee shall begin the work or use authorized by this permit within 30 calendar days from date issuance, unless a different period is stated in the permit. If the work or use does not start accordingly, then the permit shall become void.
3. The permittee shall complete the work or use authorized by a permit issued according to the terms specified in the permit. If work is unduly delayed by the permittee and in the interest of the public reasonably so demand, the city shall have authority to complete the work or any portion thereof. The actual cost of such work by the City plus twenty percent as an overhead charge shall be charged to and paid by the permittee or his surety.
4. Permits shall only be issued to the person and the work site, and the permittee shall keep this permit at work site. The permit must be shown to any authorized representative of the City of Payette or the law enforcement officer on demand.
5. The permittee will hold the City of Payette and its officers and employees harmless from and will indemnify them against all claims, liability and loss, and in particular from and against all such claims, liability and loss predicated on active or passive negligence of the City of Payette resulting directly or indirectly from operations under an issued encroachment permit. This hold harmless obligation shall not terminate during the life of the permit. The permittee shall inform himself as to the existence and location of all underground facilities and protect the same against damage. The permittee shall not interfere with any existing utility without the written consent of the owner of the utility. The expense of repairs of any damage to utilities shall be charged to the permittee. If any claim as such liability is made against the City of Payette, its officers or employees, permittee shall defend, indemnify and hold them, and each of them harmless from such claim.
6. The applicant must file with the City Clerk a bond or cashier's check payable to the City of Payette in an amount equal to \$2,000.00. Upon satisfactory completion of all work, the bond shall be released. In the event of noncompliance, the City may deduct from the cash deposit the actual cost incurred by the City. In the event of a bond having been posted, the City may proceed against the surety and principal for the actual cost to the City plus 20%.
7. The permittee will provide and maintain insurance in the following types with the following limits:
 - General Permittee*
 - a) Commercial Liability Insurance, occurrence form, with a limit of not less than \$1,000,000.00 each occurrence. If such insurance contains a general aggregate limit, it shall apply separately to this permit or be not less than two (2) times the occurrence limit. A Certificate of Liability shall be submitted with the City of Payette as additional insured. It must also include the Additional Insured Endorsement, without the Endorsement, the insurance will be considered invalid.
 - b) Automobile Insurance.
 - c) Workers Compensation in at least the statutory limits.
 - Homeowner Permittee*
 - Consideration will be given to projects where homeowners are involved and the City of Payette will require copies of homeowner's insurance.
9. Any encroachment permit may be revoked at any time at the option of the City Engineer, whenever:
 - (1) It appears to the City Engineer that the continuing allowance of the encroachment, whether because of changed conditions or otherwise, interferes with the full, adequate or safe public use of the right-of-way or watercourse involved; and/or
 - (2) The permittee fails to comply with or violates any City Ordinance, City standards, safety regulations, or any condition of issuance of the permits.
10. Upon revocation of the permit, the permittee shall immediately restore the public right-of-way or watercourse to a condition as required by the City Engineer. If the restoration is not completed within the time specified by the City Engineer, the City may take any and all necessary action so required to restore the right-of-way or watercourse. Any and all costs incurred by the City for the enforcement of this Section shall be at the expense of the permittee. Cost incurred by the City will be deducted from any deposits and/or bonds posted by the permittee and, if necessary, recovered by legal action.
11. Notify DIGLINE 48 hours prior to any excavation at (208)342-1585.
12. All work performed under this permit is to be in accordance with the standard plans and specifications of the City of Payette, subject to the inspection and approval of the City Engineer.
13. No changes may be made in the location, dimension, character or duration of the encroachment or use as granted by the permit except upon written authorization of the City.
14. The granting of the permit does not relieve the applicant of the responsibility of obtaining any other permit required by other public or private agencies, or individuals, i.e. ITD, Payette County, etc.
15. All site safety measures are the applicant's responsibility, including providing, erecting, and maintaining all warning signs, lights, barriers, or other devices necessary for the protection of the public. When working in a city street, at least one 12 foot wide traffic lane shall be open at all times.
16. An approved Traffic control plan must be in place prior to start of work affecting the public right of way.
17. Temporary paving of a minimum of 2 inches of asphalt concrete shall be placed on all excavations within the street at the end of each day's work. It shall be kept in good repair at all times, and when directed by the Engineering Inspector, immediate attention shall be given to correct any noted deficiencies.
18. The hours of work within the public right-of-way shall be the regular hours of 7:00 A.M. to 5:00 P.M., Monday through Friday (excluding holidays). The owner or developer must submit a written request for approval by the City Engineer at least two (2) working days in advance to work during any other hours, weekends, or holidays. Work on days other than regular workdays requires additional compensation for overtime inspection and written approval from the City. The following special hours of work will be enforced from Monday through Friday:
 - (1) Work adjacent to or within fifteen hundred feet (1500') of any school while school is in session will be limited to 9:00 am to 3:00 pm.
 - (2) All Saturday work shall be restricted to 9:00 am to 4:00 pm.
19. Upon completion of the work the applicant shall clean the right-of-way of all rubbish, debris, trees, brush, excess materials, temporary structures and equipment. Grounds and landscaping shall be restored to the approval of the property owner.
20. Any individual or corporation contracting the work within the City of Payette is required to have a current City of Payette business license.

I hereby certify that all information provided in this application is true and complete and I agree to comply with the conditions listed above and on the reverse side hereof.

COMMUNICATIONS

A. Thank you – Rep. Greg Chaney

PLANNING & ZONING

AGENDA ITEMS

A. Short Plat – BK Properties -

Bob Goodwin – PO Box 220; New Plymouth, Idaho 83655

Bob stated that he is asking for an extension to the 5 years for his short plat. He said the reason for this split is to allow Dutch Bros Coffee to come in and they would like their own legal description. Payette code says a developer can only split 3 parcels every 5 years, and we would like to be able to sell the lots prior to that not knowing what is coming down the line. We designed our drainage to handle what we will be doing down the road. Mayor Williams asked Tiffany Howell if administratively everything was good to go. Ms. Howell stated that Cordova and I have looked over the short plat application and everything is in conformance. Councilor Jensen asked if Mr. Goodwin is asking to get two additional short plat approvals. Mr. Goodwin asked for the 5 year extension to go away. We don't want to be held up 5 years. Mayor Williams stated that the City created a way to help the developer get the cash flow and get everything going, but we don't want a developer to come in and not get the right always for water, sewer and all that kind of stuff, and back the city into a corner and the developer is gone. Bob has everything done and all the easements and everything are good.

A motion was made by Heleker and seconded by Dale to approve the short plat for BK properties and that other short plats submitted within the five year time frame can be approved administratively as long as everything is Ok'd by staff.

After a unanimous voice vote by the Council, the motion CARRIED.

B. Alan Massey – 1432 3rd Ave So, Payette, Idaho

Alan Massey stated that recently the HTC gave a talk to the Chamber of Commerce; they have also reached out to TVCC for help. TVCC has agreed to help any applicant with the façade grant. We are currently receiving input from the businesses as to what would help improve downtown. The next meeting will be June 2nd at the Payette Public Library. My request tonight is to receive a letter of intent for a line item for HTC in the amount of \$10,000. This will help with a matching grant that HTC will be working on, and the only stipulation is that these funds will be used for the downtown area. Mr. Massey stated that he has been working with RDI and the only thing they need is a letter of intent for the \$10,000 to help with the downtown. Councilor Wickersham stated that he believes that we are all on board for this line item. Mayor Williams stated that this cannot be on the agenda tonight, but it will be on the next council meeting for a motion.

C. Pond Update –

Mayor Williams stated that they did have a little hiccup last time with the clean-up, but that has been resolved. Councilor Jensen stated that there is a meeting this Wednesday at 6pm and then another meeting this Saturday from 9am to 1pm at the Greenway.

D. Sidewalk Repair – School District – Center Avenue –

Ms. Howell stated that City Hall became aware of some work that the school had done in front of the old McCain Middle School and after our Street Supervisor saw a kid trip over a missing piece of

sideway. After contacting the district office they stated that they were unaware that they would needed to get an encroachment permit and that they did not want to pay the \$50 encroachment permit fee. Ms. Howell stated that we are asking for the council to waive the \$50 fee, so they can get the sidewalk fixed. Councilor Dale stated that she believes that we get ourselves in these big messes when we make exceptions. I'm not comfortable supporting this until we have a code addressed. Maybe there isn't a cost, but we need to be notified. It was asked that we have a work session regarding the encroachment permits at our next meeting.

A motion was made by Jensen and seconded by Wickersham to waive the \$50 encroachment permit fee for the school district on Center Avenue and the track.

After a unanimous voice vote by the Council, the motion CARRIED.

E. Resolution #2015-06 – Surplus Property – Bikes Donated

Chief Clark stated that normally these bikes sold during our surplus auction, but he and Captain Plaza discussed the option of donating them to the Boys and Girls Club of Ontario.

A motion was made by Heleker and seconded by Dale to approve Resolution #2015-06 Surplus Property to donate the bikes to the Western Treasure Valley Boy's and Girl's Club of Ontario.

After a unanimous voice vote by the Council, the motion CARRIED.

F. Park Name Recommendation – Padgett Park –

It was mentioned that the original owner of the property was Mr. Padgett, so it just seems fitting.

A motion was made by Nelson and seconded by Jensen to name the park on 7th Avenue North and North 8th Street the "Padgett Park"

After a unanimous voice vote by the Council, the motion CARRIED.

G. City Motto Recommendation –

The Council reviewed the list of mottos that were voted on and suggested through the city Facebook page. Councilor Heleker states that he likes the "Payette – What home feels like".

A motion was made by Heleker and seconded by Jensen to approve the city motto as "Payette – What home feels like"

After a unanimous voice vote by the Council, the motion CARRIED.

H. Mayor's Youth Advisory Council -

Councilor Heleker stated that we really do have a very active youth advisory council and really want to get going. Kate Brooks is our president and last week at our meeting said he would like to come down and talk to City Hall, but what they didn't realize was that there is a band concert tonight, the vice president has left for military training and the secretary got spooked. All of these individuals were downtown during Apple Blossom and sold baked goods and promoted their council. On Wednesday our council will be meeting with Ann from the museum to pick a new mural for the wall. Mayor Williams asked the council, would it be feasible or possible to have somebody from that group to be at our meetings for issues that would pertain to their group. Councilor Heleker stated that issues involving youth, my advisory council will be here. Councilor Dale thinks this would be a great idea, but she would like to see them start at the committee level.

DEPARTMENTAL REPORTS

A. Public Safety Meeting – March 18th

Chief Clark stated that regarding the Apple Blossom Festival, he was happy to report that it was the most un-eventful in our business. People behaved themselves; we had one MIP, one domestic and a couple little fender benders. March 17th we had range day, we went out to the range and practiced. We sent two officers to Coeur d'Alene to Officer Moore's funeral. Officer Cook and Coen went to Sheri Schuster's Daycare for a safety day. Jack Hart also went to the did a safety talk and did finger printing. We were involved in two internal investigations, one for Emmett and one for Weiser. We are going to send a couple officers to the Weiser Fiddle Festival on June 22nd. We have the opportunity to get involved with the FBI for internet crimes for child investigations. Detective Kayann Smith is assigned to this project. Kayann has also introduced a new program called "Holding Hands" which is an anti-violence/bullying campaign. We had 668 calls for the month of April. Jack Hart will be retiring the end of August and Sargent Freeman will be done the end of June. Lois has taken on a job to work with the juveniles to get all the graffiti in town cleaned up.

B. Forestry Commission – March 24th

C. Parks & Rec Committee – April 1st

Steve Castenada stated that he talked to his guys about what Allen Massey is doing with HTC and to promote downtown in Payette, and they decided they would set a booth up there and help out. They also set up a dunk tank at Central Park. This money will be helping with the reader board.

MAYORS COMMENTS

Mayor Williams stated that there is an election tomorrow, so go out and vote.

CITIZEN'S COMMENTS

Ray Wickersham stated that the boys and girls club are still having meetings and we have met with the schools and this was a very encouraging meeting.

Councilor Heleker stated that tomorrow night we have class night and Thursday night will be graduation, weather permitting at the field or in the dome. Tomorrow Detective Smith and I will be escorting a bunch of seniors at Wahoo's. Detective Smith is doing a great job taking over our School

Resource Officer position at the school and she spends a lot of time down there. She will be going on the all night party and the senior sneak.

Nancy Dale stated that she would like to re-visit the Payette motto vote. The votes were for "it just feels like home". I am just thinking we should choose the one the public voted for. Mayor Williams stated that we have already voted.

Councilor Wickersham stated that "The Run to the Cross" event was very successful, even with the weather. There were 70 people and the weather did affect us some, but I am excited about it.

EXECUTIVE SESSION - Pursuant to I.C. 67-2345(1)(f), the City Council will recess into Executive Session to discuss with legal counsel for the public agency pending litigation or where there is general public awareness of probable litigation.

A motion was made by Heleker and seconded by Nelson to adjourn into executive session pursuant to I.C. 67-2345(1) (f) at 8:02 PM

After a unanimous voice vote by the Council, the motion CARRIED.

A motion was made by Heleker and seconded by Jensen to reconvene into regular meeting with no action taken.

After a unanimous voice vote by the Council, the motion CARRIED.

ADJOURNMENT

A motion was made by Heleker and seconded by Nelson to adjourn the regular meeting at 8:17 pm.

After a unanimous voice vote by the Council, the motion CARRIED.

6:00 PM – Regular Meeting

- I. ROLL CALL: Jim Franklin, Jody Henderson, Nial Bradshaw, Peggy Childers, Gary Youngberg and Kevin Hanigan
Members Absent: Randy Choate
Staff Present: Mary Cordova and Bobbie Black

II. APPROVAL OF MINUTES

A. 04-23-2015 Public Hearing & Regular Meeting Minutes

A motion was made by Hanigan and seconded by Henderson to approve the public hearing & regular meeting minutes 04-23-2015 as written.

After a unanimous voice vote by the Commission, the motion CARRIED.

III. COMMUNICATIONS

None heard.

IV. PUBLIC HEARINGS

A. Chapter 17.64 Railroad Boxcars/Motor Vehicle Cargo Containers: Ann Marsh, 1384 S. Main Street, Payette, addressed the Commission. She wants to address the box car ordinance. She stated they are more secure and easier to install. She needs a container now on the property. She is renting to store ministerial items. She wants to make sure it is secure when she is gone. She doesn't want to pay extra money to keep her items off her property. Metal shipping containers are a lot more secure than a wood shed, and would take more effort to break into it. She is in the industrial area, she should be able to have at least a 10'X40'. It would be on the back side of property and has plenty of room to place.

Gary Youngberg, 2091 Shelley Drive addressed the Commission. He has a couple of concerns, the way the new ordinance is drafted, it still wouldn't be permitted. He stated it is not allowed in commercial or industrial zones if the property is used primarily for residential. It also requires to have a building permit. All the hoops to jump through and then in five years have to move it. If it fits it fits, if it doesn't it doesn't. We always put something in our motion that it can be revisited. If we do decide to keep them for the 5 years and 10 years, maybe the CUP can be renewed and container doesn't have to be removed. He also has a concern about item H, subject to approval of fire chief, doesn't know if will happen or they can come and inspect anytime. If you build a storage shed, that doesn't happen. He leases the land from his father and doesn't want to make that investment when it is not his. He is okay with the 5 and 10 years, but hopes with success of renewing CUP when time is up. Ann Marsh readdressed the Commission. She stated her land is zoned industrial. No one else addressed the Commission.

B. Chapter 17.72 Off street Parking and Loading Facilities: No one addressed the Commission.

Hearing no further comments, the public hearing was closed by Vice-Chairman Franklin.

V. OLD BUSINESS

A. Gary Youngberg - CUP

A motion was made by Hanigan and seconded by Henderson to defer this item to last item under new business.

After a unanimous affirmative voice vote, the motion CARRIED.

VI. NEW BUSINESS

A. Chapter 17.64 Railroad Boxcars/Motor Vehicle Cargo Containers

Youngberg abstained due to a conflict.

This item came back to Planning & Zoning for a public hearing based on Commission recommendations. There has been a lot of discussion and that was put into a draft for City Council. The draft has a lot of components. After the public hearing this Commission might want to change some of verbiage. It suggests that you can't keep a container longer than 5 or 10 years. Discussed if applicant can apply for a new CUP before time limit is up. Ms. Cordova stated if anything other than the way it is written, the applicant would have to go through a variance process. Commissioner Childers asked how many are in the City now, will we limit how many are in the city. How do you monitor them? Commissioner Franklin stated the intent was to protect the neighborhood. The container could have an impact on how the neighborhood or business looks. Cargo containers are not considered personal property. We have denied in the past. There are a lot of pros and cons. Commissioner Hanigan stated there are many issues, the City would like to get the tax valuation. What if you implemented a fee on an annual basis for containers that received a CUP to have the right to have on property? Maybe that is where we should head. Discussed having the ability to pull a CUP permit, by revisiting, Ms. Cordova stated there has to be a really valid reason to pull it. They would have to be in violations of a law. Discussed when five years is up the container has to be gone, the Commission likes the renewal process. Commissioner Hanigan would like the verbiage in Section B changed. Ms. Cordova stated the intent was not to exceed 5 years, if have renewal every 5 years, why have the renewal. Commissioner Henderson stated if they can't renew CUP that might encourage for them to build an accessory building. Commissioner Bradshaw stated allowing someone to place a storage container and things change over time, he would like the City to be able to deal with it. Commissioner Childers stated if in place they shouldn't have to go through the entire process.

Hanigan moved and Henderson seconded a motion to send a favorable recommendation to City Council with the following changes. Section B remove the words placement of; Section B-1, remove the words placement of storage container and add term of conditional use permit; Section B-2, remove the words placement of storage container and add term of conditional use permit;

Section B – last paragraph remove the words The placement of cargo containers and add Conditional use permit with the approval of City Attorney.

After a unanimous affirmative voice vote, the motion CARRIED. Youngberg abstained from voting.

B. Chapter 17.72 Off Street Parking and Loading Facilities

Don't require them to apply with downtown parking restrictions if they have no property available to provide off street parking.

A motion was made by Hanigan and seconded by Henderson to postpone to June meeting of the Planning and Zoning Commission.

After a unanimous affirmative voice vote, the motion CARRIED.

C. Gary Youngberg – CUP

A motion was made by Hanigan and seconded by Henderson to postpone the CUP application by Gary Youngberg to the June meeting of the Planning and Zoning Commission.

After a unanimous affirmative voice vote, the motion CARRIED.

VII. PUBLIC COMMENT

Ann Marsh addressed the Commission regarding storage containers.

VIII. ADJOURNMENT

A motion was made by Henderson and seconded by Youngberg to adjourn the meeting at 7:15 p.m.

After a unanimous affirmative voice vote, the motion CARRIED.

Date of City Council meeting June 1st, 2015

Describe what you would like to address the Council on

I want to address the steel ~~is~~ storage container issue. (They are called, shipping containers).

I desperately need ~~a~~ one of these containers to house my power tools and other valuables on site, as I am trying to start a ministry ~~and~~ business in the industrial area.

There is enough land to house one of these 20' foot containers.

OUR MISSION

At Gridiron Dreams we believe in respect, camaraderie, work ethic, the desire to get better, and humility. Our goal is for our participants to learn to apply these beliefs toward the pursuit of their dreams.

As they learn from past and current Boise State and NFL players, the student-athletes will gain a positive role model in one, if not many of the mentors at Gridiron Dreams.

“ DREAM IT. ACHIEVE IT. ”

GRIDIRON DREAMS

Gridiron Dreams is geared toward helping young athletes develop their football skills, while learning from experienced players that have played, and are playing, at the highest levels of competition. Our goal is to create a fun environment for the athletes to learn more about football, and get better at their individual positions. We want to instill the work ethic and determination that it takes to be successful, both in football, and in their lives off of the field.

CAMP EXPENSES

Gridiron Dreams mentors are volunteers that take time out of their busy schedules to come and make a difference in the lives of youth. Gridiron Dreams also relies on the generosity of individuals and businesses to cover operating expenses. Camp expenses are as follows*:

Camper's Insurance:
\$2.75 per camper—\$ 1,100

T-shirts:
\$6.00 per shirt—\$ 2,400

Coach's/Guest's Pay:
\$ 5,000

Coach's Flights/Lodging:
\$ 8,200

Trainers:
\$ 50.00 daily per trainer—\$ 300.00

Equipment:
\$ 1,000

Promotional materials/signage/flyers:
\$ 2,000

Total:
\$ 20,000

*based on 400 campers

CITY OF PAYETTE

ADMINISTRATIVE POLICY

SUBJECT: Service Dogs		EFFECTIVE DATE:	05/18/2015
APPROVED by CITY COUNCIL:	05/18/2015	REVISION DATE:	Not Applicable

POLICY:

In order to comply with federal regulations under 28 CFT Part 35 pertaining to service animals, the City of Payette will not immediately impound a dog that is known as and meets the definition of vicious dog under Payette Municipal Code (PMC) 06.08.010 (A)(3), that is identified as a service animal by the owner, keeper, or possessor unless that animal's particular behavior, such as being aggressive, attacking and/or biting another person or animal necessitates immediate impoundment. The City may review, on a case-by-case basis, whether a vicious dog that is identified as a Service Animal should be excluded based on that particular animal's actual behavior or behavioral history. This provides the City the ability to exclude an animal whose behavior or history evidences a direct threat is sufficient to protect health and safety.

PROCEDURE:

If a vicious dog, as defined by PMC, is identified as a "Service Dog" by the owner, keeper or possessor, the dog shall not be immediately impounded by an animal control officer or other official unless the dog is determined to pose a threat, based on its behavior or actions, on a case-by-case basis.

The animal control officer or other official contacting the owner, keeper, or possessor of a claimed service animal shall document the name of the owner, their address, the name and description of the animal claimed to be a service animal, such official shall include in their report specific responses of the owner, keeper, or possessor when asked:

1. If the animal is required because of a disability, and
2. What work or task has the animal been trained to perform?

The animal control officer or other official contacting the owner shall not make the above inquiries about a Service Animal when it is readily apparent that an animal is trained to do work or perform tasks for an individual with a disability.

Further investigation may be initiated to verify or disaffirm an owner, keeper or possessor's claim that their vicious dog is a qualified service animal for purposes of the ADA. Such criteria and documentation should include as much detailed observation of the animal to include, but not limited to the following:

1. Is the animal non-aggressive toward people or other animals (i.e. does not bite, snap, snarl, growl, lunge or bark at people or other animals when working off the owner's property).
2. Is the animal socialized to tolerate strange sights, sounds, odors, etc. in a wide variety of public settings?
3. Does the animal ignore food on the floor or when dropped in the animal's general vicinity while working outside the home?

If it is determined that the dog does not meet any or all of these criteria, the Chief may order a general violation summons be issued for a violation of PMC.

Exceptions. The vicious dog prohibition stated in PMC shall not apply to service animals and pit bull dogs within the city under the following circumstances. The failure of a person in possession of a pit bull dog within the city under the following exceptions to comply and remain in compliance with all of the following terms and conditions of this exception may subject the pit bull dog to immediate impoundment and disposition.

(a) An owner of any pit bull used as a service animal within the city of Payette shall apply for a pit bull dog service animal license from the City. Pit bull dog service animal licenses shall be subject to approval by the Chief of Police or their designee and to all provisions of this exception. The owner of a qualifying pit bull dog who has applied for and received a pit bull dog service animal license in accord with the terms of this section and who maintains the service animal at all times in compliance with the pit bull dog license requirements under PMC 6.08.102 A(1)(e) 1-7, may keep a pit bull service animal within the city.

(b) The owner/handler of a pit bull service animal who has applied for and received a pit bull service animal license, and who maintains the pit bull at all times in compliance with the pit bull license requirements of under the PMC, may keep a pit bull service animal within the city. If a city animal control officer or other authorized city code enforcement or law enforcement officer makes contact with an owner/handler of a pit bull not licensed pursuant to this section and the owner/handler asserts that his or her dog is a service animal, the owner/handler shall be informed of the service animal license requirements and instructed to obtain a pit bull service animal license within seventy-two hours of the initial contact. Failure to obtain a pit bull license within the permitted period of time after receiving said advisement shall result in impoundment of the dog.

(c) A nonresident owner/handler may temporarily transport into and hold in the city a pit bull that is the owner/handler's service animal for a period not exceeding twenty-four hours. During such temporary transport or holding, the owner/handler shall keep the pit bull muzzled and securely leashed with a leash sufficient to control the dog, no longer than four feet in length and held by the owner/handler who requires the use of the service animal. In the event the handler, because of a disability, is not able to use a muzzle or leash no longer than four feet in length, or in the event the use of a muzzle or a leash no longer than four feet in length would interfere with the service animal's safe, effective performance of its service work or tasks, the service animal must be otherwise under the handler's absolute control at all times.

8.20.110: LIABILITY INSURANCE REQUIREMENTS:

Before the city clerk issues any permit or before any permit becomes valid an applicant shall first file with the city clerk a public liability and products liability insurance policy, or a true copy thereof, which insurance includes both "accident" and "occurrences" coverage. The insurance coverage limits for both public liability coverage and for products liability coverage shall be at least one hundred thousand dollars (\$100,000.00) per person per occurrence, three hundred thousand dollars (\$300,000.00) per occurrence aggregate for personal injury, and one hundred thousand dollars (\$100,000.00) per occurrence for aggregate property damage. Each policy of insurance shall be in a form and substance acceptable to the city and shall name as insured parties under the terms of the policy all city officials, elected and appointed, while in the performance of official functions regarding all operations pertaining to said permit, any licensee or licensor of the applicant, and all vendors of fireworks covered by the permit to be issued to the applicant. Said policy of insurance shall be so written that it cannot be canceled without at least thirty (30) days' prior written notice to the city from the underwriting insurance company. The policy of insurance shall be underwritten through or by a qualified and duly licensed insurance company or companies authorized to do business in the state, and a copy of said policy shall be filed with the city clerk prior to the issuance of the permit. For public displays the insurance requirement shall be one million dollars (\$1,000,000.00) for aggregate personal injury and property damage. (Ord. 1210, 2002)
