PAYETTE CITY COUNCIL
Public Hearing & Regular Meeting
June 3rd, 2013**

ROLL CALL

Council Present: Mayor Jeff Williams, Georgia Hanigan, Craig Jensen, Mark Heleker, Lee Nelson, Jeff Sands and Ivan Mussell.

Staff Present: Mary Cordova, City Administrator; Doug Argo, City Engineer; Jennifer Kelley, HR; and Bobbie Black, Deputy City Clerk

6:30 PM – Public Hearing

NOTICE IS HEREBY GIVEN, in accordance with Idaho Code 63-1311A, by the City of Payette, Idaho, that the Payette City Council will meet at 6:30 p.m. on June 3, 2013, at the Payette City Council Chambers, 700 Center Avenue, Payette, Idaho, to consider public comment regarding the institution of new or increased municipal fees for the Recreation Department. Information about the proposed rates and changes may be obtained from City Hall during regular business hours.

Council Sands stated that the Parks & Rec Committee discussed that there were no set amounts for private lessons and corporate passes. Fees needed to be created for them. They also debated several ideas for senior rates. They wanted something simple to understand. Councilor Hanigan stated that it seemed to make sense to be competitive.

Davalyn McClure, 643 S. 12th Street #202 addressed the Council. She stated that she has not been in on the fee changes from the beginning. She handed the Council a 2013 poverty guideline and stated that 13% of the people in our county are on welfare. The average person makes \$957.00 per month and 5% of that would go to be able to swim at the pool. It would be 8% if you lived in the county. Most people she has talked to make \$745.00 per month. She listed various facilities and their prices and stated the Payette pool is the highest. She stated the pool doesn't make money it has to be subsidized. Many people are not going to the pool anymore because they can't afford to. She would like to propose that 10% reduction for seniors isn't much. Think about other programs to help seniors and the disabled. It would be wonderful to look at the whole fee schedule. She was asked what she felt a fair amount was and Ms. McClure stated maybe \$35.00 a month and daily still at \$3.00. The pool is cold and older people won't swim in it. Mayor Williams stated that tonight's public hearing is only on the proposed increases.

Shannon Serena, 538 N. 5th Street addressed the Council. She stated she has no problem paying the \$3.00 daily fee. Her concern is the senior citizens. She would like to see more of a discount, say 20% that includes non-resident seniors also. Ms. Serrano was asked if she thinks it is right that city taxpayers pay for the county. She stated for seniors, yes. She was asked why she purchases a daily pass instead of a monthly pass and she said that she does other things to exercise.

Lisa Lambert, 10669 N. Iowa Ave., addressed the Council. She stated she use to use the pool and she can't afford to swim anymore. She knows people that go to Caldwell to swim every

day. Lessons have always been away for guards to make extra money and they would do it on their own time.

The Public Hearing ended at 6:59 PM

7:00 PM – Regular Meeting

NEW BUSINESS

- A. Donation Request – Fruitland Summer Lunch in the Park
Hanigan stated these are wonderful programs for our communities. We haven't done these before, not even for ours. Mayor Williams asked why are we doing this for other communities and we are not doing it for ours. Mussell agreed, if other communities do this then we have to do for all. There is already a benefit for lunch.

A motion was made by Hanigan and seconded by Mussell to deny the request for a pool pass.

After a unanimous voice vote by the Council, the motion CARRIED.

- B. Ordinance #1377 AN ORDINANCE OF THE CITY OF PAYETTE, IDAHO, AMENDING CHAPTER 20 OF TITLE 10 OF THE PAYETTE MUNICIPAL CODE BY ADDING NEW SUBSECTION F, UNDER SECTION 10.20.090 TIME RESTRICTION IN CERTAIN AREAS; DESIGNATED; PENALTY FOR VIOLATION; SETTING AN EFFECTIVE DATE; ALLOWING PUBLICATION IN SUMMARY FORM; ESTABLISHING SEVERABILITY; ESTABLISHING A PENALTY; ESTABLISHING A REPEALER. – 1st Reading

A motion was made by Heleker and seconded by Jensen to introduce Ordinance #1377 by title only.

After a unanimous voice vote by the Council, the motion CARRIED.

Jennifer Kelley read the title.

Discussion followed if staff has gone door to door talking to neighbors about this. The property owner and renters will both need to be notified. This ordinance is for no parking in traveled or right of way portion of S. 18th Street, 150' north of Hughes Drive to 150' south of Hughes Drive. The Council discussed that the City needs to educate the public on the safety issues. Mayor Williams stated this needs to be done before changing speed limits.

A motion was made by Nelson and seconded by Jensen to send Ordinance #1377 to 2nd reading.

After a unanimous roll call vote by the Council, the motion
CARRIED.

C. Unattended Children Policy

Jennifer Kelley stated that any child under the age of 8 will need to have an adult in attendance with this policy. This was designed for the pool, but would cover all city buildings. It becomes a safety issue. The Council discussed that it needs to say 13 years and older to make it consistent. The challenge is with the young kids at the pool. The library director has seen the policy but we haven't heard any input from her. This policy needs to get done since season for pool as started Saturday. If the library needs to add anything additional it can be brought back just for them to cover all their needs.

A motion was made by Heleker and seconded by Jensen to approve the Unattended Children Policy at all public facilities as with change of 13 years or older.

After a unanimous voice vote by the Council, the motion
CARRIED.

D. Airport Commission Reappointments

Discussed that one commissioner that is up for reappointment goes snow birding and is only here about 6 months out of the year. It was stated that we have not had a problem with having a quorum at the meetings.

A motion was made by Heleker and seconded by Jensen to approve the Airport Commission reappointments of Frazer Peterson, Bert Osborn, Jan Zatloukal and Gary Cox to expire on June 30, 2016.

After a unanimous voice vote by the Council, the motion
CARRIED.

E. Award Library Amphitheater Project

No action on this item. The bids came in higher than expected. It will be on the next agenda.

F. Special Events Permit – Firehouse Coffee - Adam Wright works at Fire House Coffee and addressed the Council. They were going to raise money to buy sound system for shop, attempting to create a music venue in the top. Granted to have two events there each month by their landlord. Last week an employee was hit by car while riding his bike. They now are doing a fundraiser to help him pay off medical expenses. He would like to have the application fee waived to help him. Councilor Sands asked how old Nathan McGehee is, and was told 22 years. Mr. Wright stated they have a permit for them holding an event in their own building. They wanted to have 5 bands, with 1 band at a time performing and approximately 100 people in attendance. They will be performing from 6-10pm. Right now they have 3 or 4 bands and

they will each do a 1 hour set, in the ballroom. Mr. Wright felt that the sound won't travel outside the building. In past year events have been held there. The Council discussed to allow contingent upon approval from public safety departments. No alcohol being will be served. The Council asked if the Chamber gets a permit every time they have a function and Mayor Williams stated they have a Conditional Use Permit for an event center. Mr. Wright stated he doesn't want to get a long term permit if this doesn't pan out.

A motion was made by Hanigan and seconded by Mussell to approve the special events permit for Firehouse Coffee at 240 N. Main Street on June 15, and to waive the permit fee, assuming all benefits go to Mr. McGehee.

After a unanimous voice vote by the Council, the motion CARRIED.

DEPARTMENTAL REPORT

- A. Parks & Rec Committee -- May 22nd: Minutes were provided in packets.
- B. Forestry Commission -- June 3rd: Hanigan stated at the meeting today, the Commission commented on how dry are parks were. They are watering heavily after receiving pump. They have concerns about trees we will lose at Centennial due to lack of water. She informed the Council about the article on trees in right of ways that talks about liability for cities, and yes we do have a liability. The commission is concerned what their functions are with trees in our right of way. We have qualified people to address these issues and what needs to be done. They are looking for direction from the Council to send out letters and protect our citizens. Mayor Williams state that the Parks and Rec Committee have set some money aside to do this. The cost is around \$600 to \$1,000 per tree if we have to have them removed. Councilor Sands asked why we hold back on this before. Discussed concern we raised if we missed a tree, do we still have a liability. We should be proactive on taking care of the trees in our right of ways. Our current ordinance has staff send 1 letter to property owner to have completed within 30 days, and then we have them taken out. Another letter is sent to them telling them how much it was and if not paid within 30 days a lien will be placed on their property. The Council discussed that a series of letters should be sent to the property owner before filing a lien.

MAYOR'S COMMENTS

Mayor Williams informed the Council that the Hometown community assessment report has been completed that shows what needs improvement and what is good. He would like this to be on the next work session for review.

CITY OF PAYETTE

Dear Mayor Williams,

Congratulations! KaBOOM! is thrilled to recognize Payette as a Playful City USA community in 2013, a distinction the city has now earned 2 times. Over the years Payette has shown itself to be a national role model in the play movement and, as your commitment and ongoing efforts demonstrate, I have no doubt you will continue to implement initiatives and to be a strong advocate for policies that increase play opportunities for children.

This year, close to 500 cities and towns across the nation expressed an interest in becoming designated a Playful City USA community. Of those, 217 cities and towns including Payette were selected for implementing best and promising practices that promote play in schools, in neighborhoods, and by engaging residents. Today's economy is a tough challenge for communities everywhere; however, you can be confident that your investment in children now will pay dividends far into the future.

By doing its part to provide kids with quality play experiences so that they get the childhood they deserve, Payette is enabling children to grow into the healthy, happy adults who will produce the innovation that communities need to thrive. Through mapping and evaluating playspaces, finding creative ways to finance local initiatives that increase access to play, and lending your support to policies that keep kids active and engaged, you serve an important leadership role in this movement.

We are pleased to inform you that the 2013 Playful City USA designees have been announced in Governing Magazine's May edition (enclosed). Further, the Playful City USA announcement has appeared in hundreds of media outlets, blogs and websites across the country.

As a result of Payette being named one of the 217 communities this year, we invite you to attend the inaugural Playful City USA Summit on September 23 -24, 2013 in Baltimore, MD. (For more details, including how to register for the space limited summit, please refer to the enclosed information sheet).

Once again, congratulations on your designation as a 2013 Playful City USA community! We look forward to working with you throughout the year, promoting the efforts of Payette and sharing what other Playful City USA communities are doing to produce healthier, happier, and more resilient children.

Yours in play,

Darell Hammond

Said license shall include non-exclusive use of the common area immediately adjacent to the Licensed Premises for ingress, egress and parking ("Common Area").

2. Licensee may use the Licensed Premises only for selling fireworks. Licensee shall obtain, at its sole cost and expense, all licenses, permits and approvals required by any governmental entity for Licensee's use of the Licensed Premises.

3. Licensee shall pay to Licensor, as consideration for this Agreement, the sum of ~~_____~~. Licensee shall deliver payment in full of said amount to Licensor on or before June 11, 2013, failing which this Agreement shall terminate. **SEND CHECK TO ADDRESS LISTED ON PAGE THREE**

4. LICENSEE ACCEPTS THE LICENSED PREMISES IN THEIR EXISTING CONDITION "AS IS", "WHERE IS" AND "WITH ALL FAULTS." Licensee agrees and acknowledges the Licensor is not making, has not made, and expressly disclaims any warranties or representations, express or implied, with respect to any aspect, feature or condition of the Licensed Premises including, but not limited to, the suitability of the Licensed Premises for Licensee's intended use. Licensee acknowledges that Licensee is relying solely upon Licensee's inspection of the Licensed Premises and expressly assumes all risks related to the condition of the Licensed Premises.

5. Licensee shall at all times during the term of this Agreement keep the Licensed Premises and the Common Area in a clean, neat and safe condition. Licensee agrees that it will not alter the Licensed Premises or Common Area in any way, including, but not limited to, driving stakes into the pavement. At all times while upon the Licensed Premises, all agents, contractors and employees of Licensee will observe all rules and regulations which Licensor may prescribe for the protection of the public, its personnel and property, including, but not limited to, safety rules and provisions against smoking. Notwithstanding anything to the contrary in this Agreement, Licensee, and not Licensor, shall be obligated to provide all security services necessary or

appropriate for the safe and secure use of the Licensed Premises and the ways immediately adjoining the Licensed Premises by Licensee and Licensee's agents, contractors, employees and invitees (collectively, "Agents"). Licensor shall have no responsibility or obligation in connection with such security and Licensee hereby releases Licensor and the officers, directors, shareholders, trustees, members, partners, limited partners, agents or employees of Licensor or any affiliate of Licensor (collectively, "Related Parties") from any and all loss, damage, liability and claims (including, without limitation, costs and expenses of litigation and reasonable attorneys' fees) (collectively, "Claims") which arise out of, or are alleged to have arisen out of, Licensor's failure to provide such security.

6. Licensee agrees to indemnify, defend and hold harmless Licensor, its Related Parties, and all other owners and occupants of the Common Area, or of any part of the shopping center of which the Store Premises are a part, from and against any and all Claims which arise out of, or are alleged to have arisen out of, (i) Licensee's use or occupancy of the Licensed Premises or the Common Area, (ii) any breach or default in the performance of any of the terms or provisions of this Agreement by Licensee or Licensee's Agents, or (iii) the breach of any warranty or representation on the part of Licensee under Agreement. Licensee's obligations with respect to indemnification hereunder shall remain effective, notwithstanding the expiration or termination of this Agreement, as to Claims arising or accruing prior to the date of expiration or termination of this Agreement.

7. Licensee shall maintain, at its sole cost and expense, at least the following insurance covering its obligations under this Agreement and naming Licensor and Licensor's Related Parties as additional insureds:

Commercial general liability insurance with broad form coverage endorsement (including broad form property damage endorsement) for personal injury, bodily injury or death, and property damage or destruction in an amount not less than Five Million Dollars (\$5,000,000) for each occurrence;

Comprehensive Commercial Automobile Liability for owned vehicles and for hired and non-owned vehicles in an amount not less than Two Million Dollars (\$2,000,000) for each accident; and

Workers' Compensation at statutory limits and Employer's Liability at limits not less than One Million Dollars (\$1,000,000).

Such insurance shall be issued by one or more responsible insurance carriers acceptable to Licensor and licensed to do business in the state in which the Licensed Premises are located. Upon execution of this Agreement and prior to entering upon the Licensed Premises, Licensee shall provide Licensor with a Certificate of Insurance which shall indicate all insurance coverage required by the provisions herein and which shall provide that Licensor shall be provided with thirty (30) days written notice prior to cancellation or modification of such policy.

8. Notwithstanding anything to the contrary in this Agreement, this Agreement is subject to all of the terms and provisions of any lease (whether recorded or unrecorded) and any matter of record which affects the Licensed Premises (collectively, "Governing Documents"). Licensee acknowledges that the Governing Documents may contain certain easements, covenants, conditions and restrictions on the use and/or occupancy of the Licensed Premises and/or the Common Area, and Licensee agrees to be bound by and subject to, and to cause its Agents to be bound by and subject to, all of the easements, covenants, conditions and restrictions set forth in the Governing Documents. Licensee agrees that it will not do any act or be guilty of any omission which might be or constitute a default by Licensor under the Governing Documents. If any approvals or consents are required under any Governing Document for Licensee's use of the Licensed Premises or the Common Area, Licensee shall, at its sole cost and expense, obtain the same.

16. The individuals executing this Agreement warrant and represent that they are duly authorized to execute this Agreement on behalf of Licensor or Licensee, as the case may be, and that no other act, signature or authorization is necessary to bind such person to the terms and provisions of this Agreement.

17. This Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior agreements, oral or written, with respect thereto. There shall be no presumption or standard of construction in favor of or against either party.

18. This Agreement cannot be modified in any respect whatsoever, in whole or in part, except by an instrument in writing executed by both Licensor and Licensee.

19. Licensor shall not in any way or for any purpose be deemed a partner, joint venturer, or member of any joint enterprise with Licensee.

20. The failure of a party to insist upon strict performance of any of the terms or provisions contained in this Agreement shall not be deemed a waiver of any rights or remedies that said party may have, and shall not be deemed a waiver of any subsequent breach or default in the performance of any of the terms or provisions contained herein by the same party.

21. If either party is composed of more than one person, each such person shall be jointly and severally liable hereunder.

22. Each and every term or provision of this Agreement shall be construed to be a separate term or provision and shall be valid and enforceable notwithstanding the fact that any other term or provision shall have been found or declared invalid and unenforceable.

23. Each party hereby waives and releases all rights to trial by jury in any action or proceeding brought by either party against the other (or its Related Parties) on any matters whatsoever arising out of, or in any way connected with, this Agreement.

24. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall constitute a single instrument, and shall be effective upon execution and delivery of one or more of such counterparts by each of the parties. Facsimile signatures shall be deemed to constitute original signatures.

25. Time is of the essence.

MINUTES OF A REGULAR SCHEDULED CITY OF PAYETTE AIRPORT COMMISSION MEETING HELD JUNE 10, 2013, AT 4:15 P.M. IN THE AIRPORT MEETING ROOM, PAYETTE, IDAHO.

THE MEETING WAS CALLED TO ORDER BY COMMISSIONER PETERSON.

MEMBERS PRESENT: Frazer Peterson, Jan Zatloukal, Brenda Carter, Dave Koeppen and Gary Cox were present.

ABSENT: Bert Osborn

Also in attendance were Mary Cordova, Craig Jensen and Bobbie Black.

APPROVAL OF MINUTES:

Koeppen made a motion to approve the minutes of 5-13-13 as written. The motion was seconded by Cox and passed by unanimous voice vote.

COMMUNICATIONS: None Heard

OLD BUSINESS:

1. Fuel at Airport: The Commission was given updated reports on fuel. Mr. Koeppen stated that we need to order 1400 gallons of av-gas soon and he will check on ordering more mo-gas. It was stated that the system will charge your card that amount of dollars or gallons, so make sure what you put in is what you want. It does refund the difference, but takes a few days to post to your account.
2. 2014 Projects: Each year we have to reapply for grants per Bill Statham. Mr. Koeppen was told that the Idaho Aeronautics will pay for the next master plan when needed. This is something that needs to be pursued.
 - A. Runway Extension: Discussion followed that the Commission went to the County with a plan. We would like them to supply the gravel and fill for the project if possible. Ms. Cordova shared that the estimate in June 2008 for just the extension was \$184,839.05. She asked the Commission what is the priority the runway extension or the taxiway overlay? Peterson, Cox, Koeppen & Zatloukal stated 1st the extension and 2nd the taxiway. Carter stated 1st the taxiway and 2nd the extension.
 - B. Taxiway Overlay : Ms. Cordova stated that some testing had been done. The Commission would like to see some costs on a 1 ½" to 2" overlay from the engineer going east to west. It was discussed if we could get prep work done and have money to do asphalt that would be great.
3. Status of the golf course tree trimming and or removal: Ms. Cordova stated that an official letter has not been sent to the golf course. In speaking with them they have indicated that they don't have money to pay for the trees being removed, so are we willing to do it? The airport study done in 2007 identified for them to be removed within 5 years. Trees 1 through 11 are still there and all need to be removed. The #1 tree is the biggest safety issue. The golf course's lease states they are responsible for maintaining the property. The Commission will let City Council decide what needs to be done to have them removed.
