TO: City Hall

We are the Team Deportivo Cuernamaro and we are writing this letter due to the fact that we are asking you guys to please give us back our privilege of playing soccer on the park by highway 95. We were not involved with the incident that occurred on 7/15/12 after the game. The soccer game was from 12:00 to 2:00 and we were not involved with anything that occurred after the game. We believe it is not fair to lose our privilege over other people's fault. The coach's from Deportivo Cuernamaro and Coras Azteca's want to apologize for the incident even though we were not involved and are asking for another opportunity.

We are aware of *Ricardo Córdoba* the rules at the park and we informed Deportivo Valle, but unfortunately they never listened to us and broke the rules. Please give us another opportunity and

11/11/10 10:57

We will do all we can to stop  
people from breaking the rules.  
If there is anything we can do  
to inform you guys of anyone  
breaking the rules please let us  
know.
