IV. AGENDA ITEMS

A. Chapter 17.72 Off Street Parking and Loading Facilities:

This has already had a public hearing and should have been on last month's agenda. The Commission was provided the ordinance being presented to City Council on August 3rd. Ms. Cordova discussed the proposed ordinance with the Commission and how some businesses downtown do not have off street parking or a loading facility. Franklin stated we want the ordinances to be restrictive but not to stop a business coming to Payette. Discussed the fee for off street parking per parcel. The way it is written, it is up to the City Council to charge the fee.

A motion was made by Franklin and seconded by Henderson to recommend a favorable recommendation of the proposed ordinance for off street parking and loading facilities as presented.

After a unanimous voice vote by the Commission, the motion CARRIED.

V. PUBLIC COMMENT

Ms. Cordova stated the Council moved the ordinance for commercial in downtown to second reading. The storage container ordinance died and the Council would like to see something different.
