**CITIZENS COMMENTS**

Liz Amason – 490 No 20<sup>th</sup> Street; Payette, Idaho  
Mrs. Amazon read the following article and handed out the spreadsheet attached.

Dear Mr Mayor, Council Members & Department Heads,

I come to you today to address some concerns regarding the proposed 2013-2014 Budget. I am concerned about an article published in the Independent Enterprise last Wednesday, August 28<sup>th</sup> entitled Payette City Budget Down from last year.

First, I want to say that I appreciate the work that the City puts into creating the budget and I appreciate and value being a citizen of the City of Payette. I respect the job that everyone does and have no agenda, other than requesting transparency and accuracy, when it comes to matters of our City.

I also know that I am not an expert on City Finances, but do have a fair knowledge of the budget process and even better knowledge of general bookkeeping.

If, the information that I am prepared to present to you is in error, I apologize for that and have no qualms accepting responsibility for my misinterpretation. But, if the information is correct as I present it, I would expect the City to resolve such discrepancies and make further review of the proposed budget, before putting it to a vote this evening.

In reviewing the 2013-2014 Budget, I found a discrepancy regarding the alleged \$150,000 budget reduction of expenditures from last year to this year's proposed budget. This would be the same figure that was referred to in the recent newspaper article, which I previously referred to.

Please review the attached handout, wherein I have itemized the Expenditure Budget Report for 2013-2014.

The issue herein lies with the expenses related to the Grant monies for the Airport, Fire Station and Library, being assumed into last year's Budget, and thus inflating expenditures comparative to the new budget.

As you can see from the section highlights Fund Total's City's figures – the total expenses for last year were listed at \$7,264,000. This included the expenses as shown above that were for the Fire Station and the Library Expansion.

In the section below that, which is listed as "My adjustments for Grant Monies", I have taken out the expenses for last year related to grants and also the pending expenses for the new budget, pertaining to the airport.

After those adjustments, I came up with a \$411,290 increase in expenditures for the 2013-2014 budget.

As, I stated earlier, I would like the Council Members to take this information under advisement and review this matter, before putting the budget to a vote this evening.

Additionally, I would like the Council to look at establishing a City Budget Committee for future budget years, to bring a larger mix of review and accountability to the budget process.

Councilor Jensen stated that the levy rate still went up 8.5% and we cannot keep balancing the budget on the backs of the tax payers. Mayor Williams stated that the \$244,000 that went down probably raised that 8.5%. Clerk Cordova stated that this budget puts us at 5.2% and we were shooting for 5% equality, but came up with a 5.2%. Mayor Williams stated that we are pretty close to last years. Councilor Hanigan stated that she would like to commend department heads and staff for the outstanding budget.

**DEPARTMENTAL REPORT**

A. Parks & Rec Committee – 8-21-2013

Councilor Hanigan stated that the Ontario swim team requested our pool and the amount to pay per month we would have been losing about \$80 per month.

Mayor Williams stated that the minutes say that we are competitive with our family pool pass and we do not want to be lower. Is this something we really want to do? Councilor Mussell stated that it is a fair price but the family pass is not a savings to his family and they will pay as they go. Councilor Hanigan stated that we are competitive and our pool is open year round. If the pool is losing money the tax payers are picking up the difference.

**MAYOR'S COMMENTS**

Mayor Williams stated that this weekend is cruise weekend. Mayor Williams stated that they are adding a few things. They will have a spaghetti feed Saturday and a community pep rally to Saturday afternoon at the band shell at 2pm.

The Sherer Park is going to go in front of the parks and rec committee. Mrs. Sherer will continue to water it and we will start mowing it. She will eventually not be able to water it and we may incur some extra expense.

The Senior Center has a mishap this weekend and in one of their janitorial closet where the water heater is a fire started. It stayed within that room and the smoke can be smelt in the building. Mayor Williams stated that the fire chief closed the kitchen due to the fire and they will not be cooking food anymore. Mayor Williams stated that we gave them some bad new but I think some ideas were bounced around. At this time we do not have an estimate of how long the kitchen will be down, they are checking on bids right now. Mayor Williams stated that staff has checked with USDA for some grant/loans that are available.

**CITIZEN'S COMMENTS**

Councilor Jensen stated that he appreciates the letter that was sent to Tom Bisak. Councilor Jensen stated that he requested the signatures of the council members as well as the Mayor.

**MINUTES OF A REGULAR SCHEDULED CITY OF PAYETTE AIRPORT COMMISSION MEETING  
HELD SEPTEMBER 9, 2013, AT 4:15 P.M. IN THE AIRPORT MEETING ROOM, PAYETTE, IDAHO.**

**THE MEETING WAS CALLED TO ORDER BY COMMISSIONER PETERSON.**

**MEMBERS PRESENT:** Frazer Peterson, Jan Zatloukal, Brenda Carter, Dave Koeppen, Bert Osborn and Gary Cox were present.

**ABSENT:** Bert Osborn

Also in attendance were Craig Jensen, Mary Cordova and Bobbie Black.

**APPROVAL OF MINUTES:**

Osborn made a motion to approve the minutes of 8-12-13 as written. The motion was seconded by Carter and passed by unanimous voice vote.

**COMMUNICATIONS:** Rudder Flutter – summer 2013 – Idaho women pilots & the air race classic was featured. One of the Idaho pilots placed 10<sup>th</sup> out of 45 teams.

**OLD BUSINESS:**

1. Fuel at Airport: The Commission was given updated reports on fuel. We will be receiving av-gas and mo-gas this week.
2. Status of the golf course tree trimming and or removal: Mr. Masingill has not gotten back to Councilor Jensen yet, and that was 2 months ago. Mr. Koeppen stated that this need to get done, it is in the City's hands now. Councilor Jensen will take the initiative and contact Mr. Masingill.
3. Minimum Standards – Insurance requirements: Discussion followed that we need to have enough insurance on the hangars if they burn down, it is all cleaned up afterwards. Most fire policies have a debris removal endorsement. Mr. Zatloukal doesn't want something that other airports are not requiring. David Gray via phone discussed this with the Commission. It was stated that it is not in the best interest of the City to not have the hangars rebuilt; it is a loss of income. Discussed about some of the hangars having double coverage and it was stated that the City requires insurance for each one that we have a lease on.
4. Airplane Tie Downs: It was stated that Mr. Brenner has paid. The plane that has been tied down for awhile needs to be billed. It is a plane that Mr. Griffiths is working on and it needs to be moved to the back, not in the front by the fuel.
5. Gene Gray property: No discussion for this item took place.

**NEW BUSINESS:**

1. Budget information: The Commission was provided with the expenditure report through August.

**GENERAL DISCUSSION:**

Commissioner Peterson received an e-mail from Marcus Ward regarding new rules for through the fence operations and would like this to be reconsidered. It was stated that City Council voted to not allow. Commissioner Zatloukal stated that he is looking at buying his neighbors hangar and the lease states that the City has first right of refusal and asked if the City would have any problem with him purchasing. The City would need to look at the lease to see what it says. Commissioner Cox stated that the cattle are still grazing on what he believes to be City property.

**CITIZENS COMMENTS:** None

**NEXT AGENDA:**
