**MINUTES
PAYETTE CITY COUNCIL
Regular Meeting
November 03, 2014**

7:00 PM – Regular Meeting

A regular meeting of the Payette City Council was called to order at 7:00 PM by Mayor Jeff Williams in the City Council Chambers of Payette City Hall, 700 Center Avenue.

ROLL CALL

Members Present: Mayor Jeff Williams, Mark Heleker, Nancy Dale, Ray Wickersham, Craig Jensen, Jeff Sands, and Lee Nelson

Members Absent: None.

Staff Present: Bert Osborn, City Attorney; Mary Cordova, City Administrator; Mark Clark, Chief of Police; Doug Argo, City Engineer; Steve Castenada, Fire Chief; and Brenda Stowe, Administrative Services Clerk.

PLEDGE

The Pledge of Allegiance was led by Dave Koeppen.

CITIZENS COMMENTS

None.

APPROVAL OF MINUTES

A motion was made by Heleker and seconded by Wickersham to approve the regular meeting minutes of 10-20-2014 with the corrections made to page 4, Lee Nelson was not present and page 6, item M to list those two entities as Teton Machinery and Hardin Sanitation.

After a unanimous voice vote by the Council, the motion CARRIED.

APPROVAL OF BILLS & PAYROLL

A motion was made by Sands and seconded by Heleker to approve the City Bills & Payroll in the amount of \$167,306.08.

At the roll call:

Ayes: Wickersham, Jensen, Dale, Nelson, Heleker, Sands.

Nays:

The motion CARRIED.

SPECIAL ORDERS

None

COMMUNICATIONS

A. Echelon group – Meals on Wheels Program

B. Thank You – Payette Senior Citizens

PLANNING & ZONING

A. Planning & Zoning – October 23, 2014

OLD ITEMS

NEW BUSINESS

A. Bike Pump Track Park – Councilor Jensen explained that the correct terminology for the park we have in mind is a “Bike Pump Track” Park. Jensen said he met with a friend at the park to discuss moving the dirt and at that time had a discussion with Mrs. Loveland that resulted in them deciding it would be alright to leave the dirt where it is, in the North West corner near the alley. Mayor Williams stated that the Parks & Rec. Committee did make a recommendation to move the dirt to the center of the lot. Councilor Nelson questioned if the request to move the dirt from the corner was to please the neighborhood and now it is ok to leave it where it is? Jensen replied yes, after their discussion at the park with Mrs. Loveland about the effort it would take to move the dirt she said it would be ok to leave it where it is. Mrs. Loveland said it was her understanding the park was only going to use a quarter of the lot, but now the committee is saying that is only the first phase and as demand requires may enlarge the park to the full lot. Councilor Sands said it appears there is some confusion as to what the vision of the park is. Councilor Dale’s understanding is that initially the committee had the park centered on the lot with the intent of a walking path along the outer edge for parents to use while the children were at play and moved the dirt to the corner to reduce dust while building the park, then the committee made the recommendation to move it to the center because of the neighborhood concerns. She believes as a safety issue, the berms should be in the center of the park. Doug Teetzen, a neighbor, was expecting a written reply from the Council in regards to park sanitation and maintenance, he has yet to receive one. He would like the city to not be single minded and keep in mind what is best for the city and its citizens. He doesn’t want visitors to associate Payette with a big mud hole with berms in it. He is also concerned with the alley as it is not straight. Hardin’s garbage trucks drive around the mound of dirt the city has placed to have access to the alley. Councilors Wickersham and Sands are concerned with what the city’s responsibilities will be in the future, they understand Ms. Bruce can get donations the first year but what happens after that, there is no budget for this project. Sands would like to get input from the Police, Fire and Street Departments. The Council commended Kim Bruce’s efforts and passion for this project and what she has done so far. They would like to see a more complete plan of the finished project. The City reminded the Council of the grant and that the property must be in use for recreation or it could jeopardize future Federal Grants to the city and the school district. Cordova did say there is the option of swapping the property with another school district property. Mayor Williams said there is a process to go through if we wish to do so, it is a lengthy process. The Council decided to send this back to the Parks & Rec. Committee, asking them for a more definitive plan of the park, or the recommendation of the committee to do a land swap.

A motion was made by Heleker and seconded by Sands to move to table this item and send it back to the Parks & Rec. Committee asking for a plan of the finished project or the recommendation to do a land swap with the school district.

At the roll call:

Ayes: Sands, Wickersham, Jensen, Dale, Heleker.

Nays: Nelson.

The motion CARRIED.

B. Use of Airport Lounge Room-Dave Koeppen explained Amanda Vanstickle would like to hold aviation classes in the lounge room at the airport. Koeppen thinks this is a great idea, when the airport was designed the lounge was intended for this purpose. Amanda will be holding classes on the exam

portion of the aviation test once or twice a week. Jensen asked if Amanda would be charging for the classes. Dale asked how it would work with people using the building, would they have a key. Koeppen stated they use a punch key access it has been working well so far. The key for the courtesy car is in the lounge and pilots have been using it for four or five years now without any problems. Wickersham thinks the airport commission should oversee the use of the lounge. Make sure it is not abused. Sand's agreed. He asked Cordova and Osborn liability wise what needs to be done. Osborn replied Amanda would have to sign a hold harmless agreement.

A motion was made by Wickersham and seconded by Jensen to approve the use of the airport lounge for aviation classes to be overseen by the Airport Commission.

After a unanimous voice vote by the Council, the motion CARRIED.

- C. Ordinance #1385 - AN ORDINANCE FOR THE ANNEXATION OF PROPERTY GENERALLY LOCATED NORTH OF 7th AVENUE NORTH, EAST OF THE CANAL, AND WEST OF SUNSET RIM SUBDIVISION, WHICH PROPERTY IS OUTLINED IN EXHIBIT "A", ALL SITUATED IN PAYETTE COUNTY, IDAHO, AND ADJACENT AND CONTIGUOUS TO THE CORPORATE CITY LIMITS; ESTABLISHING AND DETERMINING THE LAND USE CLASSIFICATION OF SAID LAND AS B-RESIDENTIAL; DESIGNATING THAT PROPERTY DESCRIBED IN EXHIBIT A AS A CATEGORY B ANNEXATION; MAKING CERTAIN FINDINGS IN THE OFFICIAL MINUTES OF THE CITY CLERK; PROVIDING THAT COPIES OF THIS ORDINANCE SHALL BE FILED WITH THE PAYETTE COUNTY ASSESSOR, THE PAYETTE COUNTY RECORDER, AND THE IDAHO STATE TAX COMMISSION; PROVIDING AN EFFECTIVE DATE; PROVIDING FOR PUBLICATION BY SUMMARY.~
Second Reading

A motion was made by Heleker and seconded by Jensen to introduce Ordinance #1385 to a second reading.

After a unanimous voice vote by the Council, the motion CARRIED.

Bert Osborn read Ordinance #1385 by title.

A motion was made by Heleker and seconded by Sands to send Ordinance #1385 to third reading.

After a unanimous voice vote by the Council, the motion CARRIED.

- D. Approval of Findings of Fact – 7th Avenue North Annexation. Tabled until next meeting.
- E. Ordinance #1388 - AN ORDINANCE OF THE CITY OF PAYETTE, IDAHO, AMENDING CHAPTER 9.32 OF THE PAYETTE CITY CODE BY AMENDING SECTION 9.32.050 TO CHANGE THE PENALTY FOR VIOLATING THE CHAPTER; AMENDING SECTION 9.32.020 WHICH MAKES IT UNLAWFUL TO DISRUPT A COURT PROCEEDING, A PUBLIC MEETING OR A PUBLIC HEARING OR REFUSE TO LEAVE AFTER DISRUPTING A COURT PROCEEDING, A PUBLIC MEETING OR A PUBLIC HEARING; SETTING AN EFFECTIVE DATE; ALLOWING PUBLICATION IN SUMMARY FORM; ESTABLISHING SEVERABILITY; ESTABLISHING A REPEALER; ESTABLISHING A PENALTY.~Second Reading

G. Idaho Division of Aeronautics – Grant Agreement. Cordova stated the Grant agreement exceeded their expectations. We received more.

A motion was made by Nelson and seconded by Heleker to approve the Idaho Division of Aeronautics Grant Agreement in the amount of \$ 93,750.00.

At the roll call:

Ayes: Dale, Jensen, Wickersham, Nelson, Heleker, Sands.

Nays:

The motion CARRIED.

H. Memorandum of Understanding – SCBA Grant. Jensen questioned what the SCBA Grant was for. Fire Chief Castenada replied it was for airpacks. Cordova wished to remind the council of the huge federally funded grant and how much it saved the City.

A motion was made by Heleker and seconded by Jensen to approve the SCBA Grant not to exceed \$20,000.00.

At the roll call:

Ayes: Sands, Dale, Jensen, Wickersham, Nelson, Heleker.

Nays:

The motion CARRIED.

DEPARTMENTAL REPORTS

- A. Fire Department - September 2014
- B. Parks & Re Committee – October 29th

MAYORS COMMENTS

Mayor Williams wished to remind all that the fall cleanup had started today and will go through the month of November or until the first snow. He asked Councilor Dale to explain about the Connectivity presentation that was held in October. Dale said Chris Danely with Vitruvian goes into communities looking for opportunities to develop bike paths, parks, and recreation. He will be giving us a report on our assets and opportunities for growth. Danely will meet with the city on nine separate occasions over the following months to work with the city on developing a plan to promote physical activity. He also had information on Federal Grants.

Mayor Williams also announced the addition of a fourth full time firefighter. Mr. Tony Long has accepted the position. The Mayor also talked about the Football trip to Coeur d'Alene and the bus breakdown in Grangeville. Grangeville citizens went out of their way to make our student's ten hour delay an adventure and not a long boring wait. Mayor Williams called to thank Grangeville's Mayor. As a final comment Mayor Williams encouraged everyone to get out and vote.

CITIZEN'S COMMENTS

Councilor Dale would like to encourage and give great consideration to this Bike Pump Track Park property. Because of the risk to have future federal grants maybe it would be better to swap the land. Would it be better to swap the land with land at McCain? Sands thought it was something to move forward with.

ADJOURNMENT

A motion was made by Heleker and seconded by Daleto adjourn the regular meeting at 8:25 PM.

After a unanimous voice vote by the Council, the motion CARRIED.

Signed this _____ day of _____, 2014.

Jeffrey T. Williams, Mayor

Comments: Thank you City of Payette and your crew of guys for picking up all the limbs & leaves from the mess we made from cutting our tree and of course for going around town cleaning everything up and making and keeping our little town clean. I also want to take this time to thank you for the improvements on the overpass on 6th. Looks great!

Event Description We are wondering if the City of Payette would consider sponsoring all or part of a 9 month swimming pass for my daughter Olivia Cline (athlete), two coaches, and one parent. Her goal is to work out one day per week (at min.) with the coaches and one day per week (min.) with myself or my wife. She is the only swimmer from the State of Idaho on Team USA's Swimming Team. If I need to attend a city council meeting I will be glad to attend and give more details.

ORDINANCE NUMBER 1385

AN ORDINANCE FOR THE ANNEXATION OF PROPERTY GENERALLY LOCATED NORTH OF 7th AVENUE NORTH, EAST OF THE CANAL, AND WEST OF SUNSET RIM SUBDIVISION, WHICH PROPERTY IS OUTLINED IN EXHIBIT "A", ALL SITUATED IN PAYETTE COUNTY, IDAHO, AND ADJACENT AND CONTIGUOUS TO THE CORPORATE CITY LIMITS; ESTABLISHING AND DETERMINING THE LAND USE CLASSIFICATION OF SAID LAND AS B-RESIDENTIAL; DESIGNATING THAT PROPERTY DESCRIBED IN EXHIBIT A AS A CATEGORY B ANNEXATION; MAKING CERTAIN FINDINGS IN THE OFFICIAL MINUTES OF THE CITY CLERK; PROVIDING THAT COPIES OF THIS ORDINANCE SHALL BE FILED WITH THE PAYETTE COUNTY ASSESSOR, THE PAYETTE COUNTY RECORDER, AND THE IDAHO STATE TAX COMMISSION; PROVIDING AN EFFECTIVE DATE; PROVIDING FOR PUBLICATION BY SUMMARY.

WHEREAS, the City of Payette hereby annexes pursuant to Idaho Code § 50-222; and,

WHEREAS, the City of Payette hereby zones pursuant to Idaho Code § 67-6525; and,

WHEREAS, the Payette City Council has adopted findings in support of the annexation and re-zone (contained in Exhibit "B" attached hereto); and,

WHEREAS, the City of Payette has annexed under Category B of the Idaho Code, wherein the subject lands contain less than one hundred (100) separate private ownerships and platted lots of record and where not all such landowners have consented to annexation, and all lands to be annexed are contiguous or adjacent to the City and lie within the area of impact; and,

WHEREAS, the Payette Planning & Zoning Commission, pursuant to public notice, held a public hearing on August 28, 2014, and recommended to the Mayor and Council that the proposed annexation be approved as set forth in the City's annexation plan and said lands be zoned B-Residential; and,

WHEREAS, the Payette City Council, pursuant to public notice, held a public hearing, on October 6, 2014, on the proposed annexation and zoning for the property described in Section One below, as required by Idaho Code § 50-222 and Idaho Code § 67-6525.

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF
PAYETTE, IDAHO:

Section 1. The lands and territory situated in Payette County, Idaho, adjacent and contiguous to the City of Payette, Idaho, particularly described as:

SW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 27, T 9 N, R 5 W, B.M., Payette County, Idaho, lying Southerly of the upper bank of the Lower Payette Ditch Company Canal.

AND

A portion of the SE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 27, T 9 N, R 5 W, B.M., Payette County, Idaho, more particularly described as follows: Beginning at a point 660 feet S of the NW corner of said SE $\frac{1}{4}$ SE $\frac{1}{4}$; thence E and parallel to the N side line of said SE $\frac{1}{4}$ SE $\frac{1}{4}$ 594 feet; thence S and parallel to the W side line of said SE $\frac{1}{4}$ SE $\frac{1}{4}$ 645 feet, more or less, to the S side line of said SE $\frac{1}{4}$ SE $\frac{1}{4}$; thence W along the S side line of said SE $\frac{1}{4}$ SE $\frac{1}{4}$ 594 feet, more or less, to the SW corner of said SE $\frac{1}{4}$ SE $\frac{1}{4}$; thence N along the W side line of said SE $\frac{1}{4}$ SE $\frac{1}{4}$ to the Point of Beginning.

And as outlined in "Exhibit A" which is attached hereto, are incorporated hereat as if set out in full verbatim, are annexed and incorporated into the territorial limits of the City of Payette, Idaho.

Section 2. From and after the effective date of this ordinance, all property included within the boundaries and territory described in Section 1 shall be subject to all the statutes pertaining to the City of Payette and all ordinances, resolutions, police regulations, taxation and other powers of the City of Payette. All persons and property within the territory so annexed shall be and are entitled to all benefits and rights as are the persons and property presently within the corporate limits of the City of Payette.

Section 3. The City Engineer of the City of Payette is hereby directed to lodge and file with the City Clerk of Payette within ten (10) days after passage and approval hereof, a legal description and map prepared in a draftsman like manner which shall plainly and clearly designate the boundaries of the lands and territory annexed, pursuant to the provisions of Section 1.

Section 4. The City Council having considered the written and oral comments of property owners whose land would be annexed and other affected persons, makes the following express findings:

- (A) The land to be annexed meets the applicable requirements of a Category B annexation and does not fall within the exceptions or conditional exceptions contained in this section;

- (B) The annexation would be consistent with the public purposes addressed in the annexation plan prepared by the city;
- (C) The annexation is reasonable necessary for the orderly development of the city.

The City Council directs the City Clerk to set forth said findings in the minutes of the City Council meeting at which the annexation is approved.

Section 5. Pursuant to the findings of the Payette City Council, the land use classification of the lands described in Section 1 above annexed hereto is established as B-Residential as provided by the Zoning Ordinance of the City of Payette. The findings with respect to zoning of the lands being annexed are:

- A. The proposed zoning complies with and conforms to the Comprehensive General Plan.
- B. The proposed zoning will provide and maintain existing and future capabilities of public utilities.
- C. The proposed zoning will maintain and preserve compatibility of surrounding zoning and development.
- D. The proposed annexation incorporates the Payette water planning area.
- E. The proposed zoning and annexation honors the negotiated Area of Impact Agreement with Payette County.
- F. The proposed zoning is consistent with the Payette County Comprehensive Plan.

Section 6. The City Clerk is hereby directed to alter all use and area maps as well as the official zoning maps, comprehensive plan and all official maps depicting the boundaries of the City of Payette, in accordance with this ordinance.

Section 7. After annexation of the property described in Section 1 above, any resident of the annexed area who has a drinking well and a properly functioning septic tank/drain field, will have an option to defer connection to city water and sewer service after the city provides access to water and sewer for their property for up to ten (10) years or until the existing water and sewer system at the time of annexation fails.

Section 8. The City Clerk of the City of Payette is hereby directed to file, within (10) days after the passage and approval hereof, a certified copy of this Ordinance with the Payette County Assessor, County Recorder and County Treasurer of Payette County, Idaho, and the State Tax Commission of Idaho, and to file a copy of said legal description and map, as prepared and lodged with her by the City Engineer, with the County Assessor and County

**BEFORE THE CITY OF PAYETTE
CITY COUNCIL**

FINDINGS OF FACT, CONCLUSIONS OF LAW

IN THE MATTER OF AN APPLICATION BY:)
)
The City of Payette,)
FOR ANNEXATION)

I. APPLICATION PROCESS

LEGAL

The City of Payette is requesting annexation of approximately 20 acres. The property is generally located northeast of Payette. It includes that property not included within the City limits lying north of 7th Avenue North between the canal and Sunset Rim Subdivision. It consists of fourteen different parcels. The property is more particularly described as:

SW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 27, T 9 N, R 5 W, B.M., Payette County, Idaho, lying Southerly of the upper bank of the Lower Payette Ditch Company Canal.

AND

A portion of the SE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 27, T 9 N, R 5 W, B.M., Payette County, Idaho, more particularly described as follows:

Beginning at a point 660 feet S of the NW corner of said SE $\frac{1}{4}$ SE $\frac{1}{4}$; thence E and parallel to the N side line of said SE $\frac{1}{4}$ SE $\frac{1}{4}$ 594 feet; thence S and parallel to the W side line of said SE $\frac{1}{4}$ SE $\frac{1}{4}$ 645 feet, more or less, to the S side line of said SE $\frac{1}{4}$ SE $\frac{1}{4}$; thence W along the S side line of said SE $\frac{1}{4}$ SE $\frac{1}{4}$ 594 feet, more or less, to the SW corner of said SE $\frac{1}{4}$ SE $\frac{1}{4}$; thence N along the W side line of said SE $\frac{1}{4}$ SE $\frac{1}{4}$ to the Point of Beginning.

The proposed annexation does include property requested in the application without the owners consent. The City has determined this annexation qualifies as a Category "B" Annexation as defined by Idaho Code.

NOTIFICATION

On July 30, 2014, notice was mailed to affected parties within the annexation area, and to neighbors living within 300' of the annexation area, of a public hearing in front of the Planning & Zoning Commission to be held August 28, 2014. The public hearing notice for the Planning & Zoning Commission hearing was also published in the Independent Enterprise July 30, 2014.

On September 15, 2014, notice was mailed to affected parties within the annexation area, and to neighbors living within 300' of the annexation area, of a public hearing to be held October 6, 2014, in front of the City Council. The notice for the City Council public hearing was also published in the Independent Enterprise on September 10, 2014.

II. PROPERTY REVIEW

EXISTING CONDITIONS

The subject property is within the City of Payette Impact Area. There are platted subdivisions adjacent to the subject property. There are no residential properties under 5 acres on the subject property.

IV. PUBLIC HEARING TESTIMONY

The Payette City Council heard this case on October 6, 2014.

WITNESSES TESTIFYING IN FAVOR:

None.

4.3. WITNESSES TESTIFYING IN OPPOSITION:

None.

V. COUNCIL DISCUSSION

Mary Cordova stated that we did have a couple of people at the Planning and Zoning meeting and this is as a result of the 7th Avenue North project that we did in 2008 or 2009. One condition of the property was that we would not annex them for two years, and it has been several years. Councilor Wickersham asked if they were aware that they would be annexed. Cordova stated yes, they did sign agreements. The only person that did not sign an agreement was Ken Johnson and one other person, because they were not directly affected. Councilor Wickersham asked if Mr. Johnson would be able to get sewer. Cordova stated no, the sewer line is very, very shallow. Councilor Wickersham asked if there is any way that he could get sewer from the new subdivision. Cordova stated no, that property is much, much higher than Mr. Johnson's property. Mayor Williams stated that when we did the River Street annexation we had the same issues with water and sewer. Annexation is not about water and sewer that has nothing to do with tax dollars. Mayor Williams stated that this is about police, fire, and street services; this is not about water and sewer services. Mayor Williams stated that if you look at the end property of Mr. Ashton property, this will have the same issue. Councilor Jensen asked if we do annex and they are on a well and septic we do not force them to hook in to the city services, right. Cordova stated that we don't, but code states if water and sewer are within 250' they are supposed to hook up, but we don't make them. Councilor Dale asked if we annex Mr. Johnson's property and he wants to hook in to water and sewer, are we setting our self up to service him? Attorney Osborn stated no. Councilor Jensen asked if we do not annex Mr. Johnson's property, would we have a problem annexing in the future. Attorney Osborn stated no. Councilor Dale asked what made these people finally sign these agreements to be annexed. Attorney Osborn stated that

one, they got money, and two they got the road improved. Mayor Williams stated that since he made the negotiations, he stated that they were told they would get paid, if they ever had issues with well or septic, they would get a tap into the city line, and three they would not be annexed for two years and that was several years ago.

VI. FINDINGS OF FACT

The Payette City Council agreed with the following points as presented in the annexation plan:

6.1 That the annexation shall incorporate the Payette water planning area.

The subject lands have been within the City's water planning area since January 2002.

6.2 Honor negotiated area of impact agreement.

The site is within the Area of Impact for the City of Payette.

6.3 Attempt to balance costs of services with anticipated revenues.

The annexation will result in property tax, franchise fees, development fees, state shared sales tax and other revenues. The receipt of revenues will occur over time because of constraints, including those set under Idaho Code. For example, property taxes will not accrue until nine months after the annexation is effective. State shared revenues will not be obtained until the State recognizes the population and market value added to the City in the annexation.

Costs for City services to the residents in the annexation area will be provided either immediately after annexation (for example, police and fire services) or when revenues to support the services are received (for example, park development.) The cost of services projected to be provided to the annexation areas have been planned to balance with the anticipated revenues. Preliminary estimates of revenues support the services and facilities planned for the area after annexation to the City. This is particularly the case because the City has already made a significant investment in the construction of the new fire station that now serves the area before the proposed effective date of the annexation.

6.4 Promote other goals of population balance, contiguous development and prevention of costs due to leap frog development.

Part of the intent behind annexing in the area of development is to prevent the sort of "leap frog" development that has resulted in the unplanned, haphazard development patterns which are seen on the fringe of Payette. By annexing where feasible and practical, the City will help to ensure that future development, as much as possible, occurs contiguous with City limits and thereby facilitates the more efficient and economical delivery of services.

The City of Payette has also considered the following:

6.5 The land to be annexed meets the applicable requirements of Idaho Code and does not fall within the exceptions or conditional exceptions contained in this section.

1. Category B Annexations: For the lands which are contiguous with city limits and which number less than 100 parcels, the City completed the following steps:
 - a. Notices of Council annexation hearing were posted in the subject area.
 - b. Notice was published in the Independent Enterprise to satisfy the zoning hearing requirement. The date was September 10, 2014.
 - c. A notice was sent directly to each affected property owner. The notice was sent 30 days in advance of the first public hearing and contained:
 1. An invitation to attend the public hearing before the Payette City Council on October 2, 2014.
 2. Instructions on how and by when to submit written information.
 3. Instructions on how and where to obtain a copy of the annexation plan and map, free of charge.

6.6 The annexation would be consistent with the public purposes addressed in the annexation plan prepared by the City.

Public purposes addressed in the annexation plan include:

2. Police protection. Payette Police Department services will extend to the proposed annexation described herein without significant adjustment of current staffing levels or organizational structure.
3. Fire Protection. Fire Protection services will be extended to the newly annexed area with essentially the same level of service as is being provided in the rest of the City.
4. Public Works. Water and Sewer services will be provided under the same policies and rules after annexation. It should be noted that the City has made significant investments in providing sewer and water service to this area in the way of plans and studies, and through the construction of water and sewer main laterals now available to parcels adjacent to 7th Avenue North. Streets: The City currently operates and maintains existing streets in the annexation area. Drainage: Requiring new development in the annexation area to comply with City drainage standards will ensure better drainage features and facilities than would otherwise be built.
5. Library Services. All residents are eligible to use the Payette Public Library without individual payment of a non-resident fee. The annexation will help assure that revenues exist to maintain the

quality library services which the City of Payette intends to provide all of its citizens.

6. Parks and Recreation Services. The City of Payette's parks, pool, and greenbelt are available for all residents, whether annexed or not. Annexing new areas adjacent to City limits will provide additional revenue and assist the City with its goals relative to the provision of park space.

6.7 The annexation is reasonably necessary for the orderly development of the City.

- 6.7.1 It has been the intent of this report and the annexation plan to demonstrate that this annexation will contribute to the efficient delivery of services and will thus benefit the entire community. The state legislature declared that it is also the policy of the State of Idaho.

.....That cities of the state should be able to annex lands which are reasonably necessary to assure the orderly development of Idaho's cities in order to allow efficient and economically viable provision of tax-supported and fee-supported municipal service, to enable the orderly development of private lands which benefit from the cost effective availability of municipal services in urbanizing areas to equitably allocate the costs of public services in management of development on the urban fringe. (I.C. 50-222(1))

- 6.7.2 The goal of orderly development is hindered when a city has urbanizing areas receiving municipal services adjacent to its borders that are not annexed. The City is unable to fully implement the goals and policies of its comprehensive plan in such circumstances.
- 6.7.3 The proposed annexation will contribute toward the stated goal of equitable allocation of costs by requiring a consistent property tax assessment among residents who have access to all of the municipal services offered by the City.

6.8 Zoning

The City is to make the following findings when reclassifying the zoning of properties:

A. Comply and Conform with the Comprehensive Plan

The zoning being applied, B-Residential, will match the zoning of "medium density" in the County Comprehensive Plan, and "medium density" (3-5 dwelling units per acre) in the City's Comprehensive Plan.

- B. Provide and maintain sufficient transportation and other public facilities, and does not adversely impact the delivery of services by any political subdivision providing services.

Services and public facilities can best be planned for and provided under the auspices of one jurisdiction.

- C. Maintain and preserve compatibility of surrounding zoning and development.

This finding is satisfied since the City is assigning zoning which is compatible with the City and County Comprehensive Plans. Another large subdivision (Sunset Rim Subdivision) lies directly east of the annexed lands.

VII. DECISION

Standards noted under Section III were followed, which allowed for the procedures and processes of this hearing to be conducted.

Based upon the foregoing Findings of Fact and Conclusions of Law, the planning and zoning procedure conducted throughout the City, the comments, both oral and written, received at the public hearing held hereon, and the deliberation of the Payette City Council of Payette, Idaho, Councilor _____ moved, seconded by Councilor _____ to approve the annexation, and that the annexed parcel be zoned "B" Residential.

Councilors _____, _____, _____, _____, _____ and _____ voted in favor. Councilors voted opposed. Motion _____ with a vote of ___ in favor and ___ opposed.

Dated this ___ day of _____, 2014.

PAYETTE CITY COUNCIL

PAYETTE, IDAHO

JEFFREY T. WILLIAMS, MAYOR

ATTEST:

M. CORDOVA, CLERK

ANNEXATION PLAN 7th Avenue North, Payette

Overview

The annexation of property lying north of 7th Avenue of Payette is a reasonable action by the City. The annexation is designed to assure the orderly development of the City, to allow efficient and economically viable provision of tax-supported and fee-supported municipal services and to enable the orderly development of private lands which benefit from the cost-effective availability of municipal services in urbanizing areas.

The approximately 20 acres in the proposed annexation may be annexed by virtue of the requirements found in Idaho Code 50-222 which are set out as follows:

1. The land is contiguous or adjacent to the city;
2. The land is in the area of city impact;
3. The land has been laid off, subdivided or platted in lots of 5 acres or less, OR the owner has sold or begun to sell the property in parcels not exceeding 5 acres;
4. The proposed annexation includes less than 100 privately owned parcels and platted lots of record, where consent has not been obtained from all landowners.

The property is generally located northeast of Payette. It includes that property not included within the City limits lying north of 7th Avenue North between the east side of the canal and west of Sunset Rim Subdivision. It consists of fourteen different parcels. Not all owners of the parcels have consented to the annexation. The proposed annexation is designed to prevent chaotic boundaries and "enclaves" of county land surrounded by a city, which can result in confusion for police and firefighters trying to determine whether calls are within their jurisdiction.

As an area develops, the need for government to provide services increases. People living in the urban fringe receive the benefits of city services: they drive on city streets, play in city parks and check out books from the city library. However, they do not contribute to the cost of these services. That lack of participation increases the tax burden on City property taxpayers. Upon annexation, the City of Payette will provide quality municipal services, including police and fire protection, recreation, zoning and building services, public works, street maintenance, appropriate utilities, park and public facility maintenance.

For the City it is vital to ensure that as development occurs in the Area of City Impact, development occur in a manner that facilitates the ultimate merger of the area into the City. The City has developed infrastructure in the area. The area is

currently located in Payette County. The proposed annexation conforms with the Payette Comprehensive Plan for future growth.

Annexation Plan:

Idaho Code 50-222 (5) (b) (iii) requires preparation and publication of a written annexation plan, appropriate to the scale of the annexation contemplated, which includes at a minimum, the following elements:

A) The manner of providing tax-supported municipal services, if any, to the lands proposed to be annexed:

The City has the capacity and capability of providing all tax supported City services to the proposed annexation area, including the following:

1. Police Protection: Payette Police Department police services will extend to the proposed annexation described herein without significant adjustment to current staffing levels or organizational structure.
2. Fire Protection: Fire protection services will be extended to the newly annexed area with essentially the same level of service as is being provided in the rest of the City. It is the goal of the City with respect to fire services to have a four minute response time from a City fire station. A new fire station has been recently constructed at the corner of Highway 95 and 7th Avenue North. The overall level of service to the area has increased since the new station came on line.
3. Public Works:
 - Street Lights - The City attempts to provide street lighting on a funds-available basis to all areas within the City. The City will take over maintenance and operation of installed street lights in the annexation area. This furthers the City's goal by increasing public safety through street lights.
 - Streets – The City currently does and will continue to maintain the streets within the proposed annexation area.
 - Drainage – Requiring new development in the annexation area to comply with City drainage standards will ensure better drainage features and facilities than would otherwise be built.
4. Library Services – All residents are eligible to use the Payette Public Library without individual payment of a non-resident fee. The annexation will help assure that revenues exist to maintain the quality library services which the City of Payette intends to provide all of its citizens.
5. Parks and Recreation – The City has identified future park areas in its Comprehensive Plan. The City's existing parks and greenbelt are available for all residents, whether annexed or not. Annexing

new areas next to City limits will provide additional revenue and assist the City with its goals relative to the provision of park space.

B) The changes in taxation and other costs, using examples, which would result if the subject lands were to be annexed

The annexation will result in property tax, franchise fees, development fees, state shared sales tax and other revenues. The receipt of revenues will occur over time because of constraints, including those set under Idaho Code. For example, property taxes will not accrue until nine months after the annexation is effective. State shared revenues will not be obtained until the State recognizes the population and market value added to the City in the annexation. That will occur typically one to two years after the annexation is completed.

Costs for City services to the residents in the annexation area will be provided either immediately after annexation (for example, police and fire services) or when revenues to support the services are received (for example, street lights or park development). The cost of services projected to be provided to the annexation area have been planned to balance with the anticipated revenues. Preliminary estimates of revenues support the services and facilities planned for the areas after annexation to the City. This is particularly evident because the City has made a significant investment in a new fire station, a new middle school, new sports complex, and the Payette City Greenway, all which will serve the area.

Any cost/benefit analysis must be based on a number of assumptions and projections. As such, this analysis should be treated as an estimate based upon the best data available. In addition, it is important for decision makers using this information understand the assumptions on which it is based. The assumptions are as follows:

- a. The current municipal service levels existing in Payette will be maintained in the newly-annexed area.
- b. Inflation affects costs and revenues equally and, therefore, is not accounted for.
- c. Fee-supported utilities (water and sewer) will recover their increased costs through their fee schedules

1. Fire and Police Services:

Presently, property owners in the annexation area pay \$69 annually for fire protection services. After annexation, the City Fire Department will provide fire protection. This will result in an annual savings of \$69 per household but will be offset by the higher City property tax. In addition, when the area is annexed into the City, property owners will enjoy a lower fire insurance rating, thereby reducing their homeowners insurance.

At the time of annexation, City Police services will replace County Sheriff protection; however, no reduction in county property taxes will occur. The City of Payette currently has 14 full time officers for 7,500 residents, compared to the County which has 15 full time officers for a population of nearly 24,000 residents. The higher ratio of police officer per capita in the City decreased response time and is an advantage to City residents

3. Property Taxes

From 2005-2030, the housing unit inventory is forecast to increase by nearly 2,000 homes. These forecasts are very important for anticipating future growth and new housing units, and for ensuring sufficient land areas are available for development. Using a City average of three residential units per acre, a minimum of 700 acres will be needed for new residential development over the next 25 years. In addition, and equally formidable, the availability of commercial, industrial, and public land areas is necessary, as well as planning for adequate City services and utilities to meet future service demand.

City of Payette Population and Housing Unit Forecast

Year	Population	Housing Units
2000	7,054	2,834
2005	7,434	3,008
2010	8,367	3,349
2015	9,364	3,712
2020	10,431	4,102
2025	11,544	4,508
2030	12,704	4,931

Sources: Intermountain Demographics; U.S. Census 2000

Real property taxes will increase for those properties within the annexation area at the time of annexation. The current levy rate in Payette County is .0049444. The City of Payette's current levy rate is 0.0107, a difference of nearly half. A \$100,000 taxable value home in the County (assuming the \$83,920 homeowners exemption is already taken), would pay approximately \$1,070 more per year when annexed into the City. It is important to note that properties annexed in 2014 will not receive a new tax notice until October of 2015, payable in December of 2015. This means that the newly annexed property will receive City services a year or more before the City receives tax revenues.

C) The means of providing fee-supported municipal services, if any, to the lands proposed to be annexed.

1. Sewer & Water

Municipal water and sewer is available to all parcels in the proposed annexation area except for two. Some of the parcel owners are currently connected to City utilities. Sewer and Water service will be provided under the same policies and rules currently in the City after the annexation takes place. These fee-supported utilities will recover their increased costs, if any, through their fee schedules. Those properties not already served by City water will be

assessed a \$5.25 fee for assistance with readiness of the water infrastructure for fire suppression purposes, which is consistent with similar properties without water service already located within City limits.

2. Garbage Collection

The City contracts with a private firm for City wide refuse disposal. This fee is assessed on every property within the City. The cost is \$13.37 per month, and is included with the City's monthly water and sewer bill. Although County trash pickup is not required, it is assumed that many property owners already contract with trash removal services. Therefore, there will likely be no net financial impact to property owners for trash removal.

D) A brief analysis of the potential effects of annexation upon other units of local government, which currently provide tax-supported or fee-supported services to the lands proposed to be annexed.

The City of Payette will use the tax base generated revenue from the annexation to assist with the municipal services provide to the area. The City has not identified a need for continuing County service within the proposed annexation area.

1. Rural Fire District

The Rural Fire District charges an annual fee of \$69.00 per address for fire protection services. They could lose approximately \$966.00 per year in revenues. Rural Fire will have a reduction in required protection services as the homes in the proposed annexation will become the responsibility of the Payette Fire Department.

2. Payette County Road & Bridge

Snow removal and road maintenance in the annexation area is currently provided by City forces and will continue after annexation.

3. Payette Public Library

The City of Payette Library charges \$60.00 per year for library privileges for each family living outside the City limits. Assuming fourteen parcels in the annexation area currently purchase a library card, the annual loss in fee revenue to the Library will be \$840.00. However, the new City property tax revenues from annexation will offset any loss of fees for out of City library service.

4. Refuse

Garbage collection is provided to all City of Payette residents by a private City contractor. The mandatory service is approximately \$13.37 per month. Current private garbage contracting services could be affected.

5. *Payette County Landfill*

The landfill fee of \$36.00 per year is charged to all City and County residents. There will be no economic impact to residents.

6. *Payette Irrigation*

Payette Irrigation is an independent service provider that oversees secondary water to the annexation area. The annexation will not affect this service or any fees paid to the irrigation district.

E) The proposed future land use plan and zoning designation or designations, subject to public hearing, for the lands proposed to be annexed.

Proposed zoning of the annexation area is as follows:

B-Residential for all areas

The Payette Municipal Code regarding B-Residential zoning is included below in its entirety:

**Chapter 17.28
B RESIDENTIAL DISTRICTS**

17.28.010: CONSTRUCTION OR USE; COMPLIANCE REQUIRED:

17.28.020: PERMITTED USES:

17.28.030: CONDITIONAL USES:

17.28.040: LOCATION REQUIREMENTS:

17.28.050: BUILDING AREA AND USE RESTRICTIONS:

17.28.060: OFF STREET PARKING REQUIREMENTS:

17.28.010: CONSTRUCTION OR USE; COMPLIANCE REQUIRED:

Except as otherwise provided in this title, no main building or premises in a B residential district shall be erected, altered, used, arranged or designed to be used, in whole or in part, for uses other than set forth in this chapter unless they comply with all the provisions set forth in this chapter. (Ord. 1204, 2002: prior code § 11-7-1)

17.28.020: PERMITTED USES:

Permitted uses in the B residential districts are as follows:

All uses permitted in A residential districts (see section 17.24.020 of this title).
Assisted living homes.
Bed and breakfasts.

Boarding houses.
Dancing schools.
Home occupations offices.
Hospitals.
Multiple-family dwellings.
Municipal facilities. (Ord. 1204, 2002; Ord. 1066 § 1, 1993; Ord. 971 § 10, 1987; prior code § 11-7-1(A))

17.28.030: CONDITIONAL USES:

The following uses may be permitted by the planning and zoning commission after public notice has been given by United States mail to all property owners within three hundred feet (300') of the property in question and a public hearing is held. The planning and zoning commission may require appropriate safeguards and special condition as said commission deems necessary. Such uses and buildings must be appropriately located and designed to meet a community need without adversely affecting the neighborhood.

All special uses permitted and regulated in an A residential district (see section 17.24.030 of this title).

Accessory buildings in excess of four hundred (400) square feet in area, in excess of twelve feet (12') in height at its highest point.

Childcare facilities.

Convalescent homes, nursing homes and congregate homes.

Neighborhood grocery store or convenience store serving the needs of the residents in the immediate area. (Ord. 1271 § 2, 2006; Ord. 1204, 2002)

17.28.040: LOCATION REQUIREMENTS:

A. Requirements for location of buildings in A residential districts shall be applicable to location of buildings in B residential districts.

B. Minimum lot size shall be as follows:

1. Multi-family housing: Three thousand five hundred (3,500) square feet per living unit.
2. Single-family home: Six thousand (6,000) square feet.
3. Corner lots for single-family homes: Eight thousand (8,000) square feet. (Ord. 1204, 2002; prior code § 11-7-1(B))

17.28.050: BUILDING AREA AND USE RESTRICTIONS:

- A. Buildings permitted shall provide parking facilities required by chapter 17.72 of this title.
- B. Billboards of not more than eight (8) square feet may be permitted. Signs for home occupations shall be regulated by section 17.64.150 of this title.
- C. One horse, or three (3) sheep or one cow with calf may be maintained on the lot, provided there is at least twenty one thousand eight hundred (21,800) square feet of fenced irrigated pasture area for the animals and the landowner obtains a permit from the planning and zoning commission and only so long as the animals do not cause offensive odors or create a disturbance to the people of the neighborhood. After notice and hearing, pursuant to section 17.28.030 of this chapter, the planning and zoning commission may further limit or expand the number of animals which may be kept. Swine and goats are prohibited. (Ord. 1204, 2002; Ord. 1128 § 2, 1996; Ord. 1066 § 1, 1993; Ord. 971 § 11, 1987; prior code § 11-7-1(C))

17.28.060: OFF STREET PARKING REQUIREMENTS:

The off street parking requirements for the B residential districts are referred to in chapter 17.72 of this title. (Ord. 1204, 2002)

MINUTES OF A REGULAR SCHEDULED CITY OF PAYETTE AIRPORT COMMISSION MEETING HELD NOVEMBER 12, 2014, AT 4:15 P.M. IN THE AIRPORT MEETING ROOM, PAYETTE, IDAHO.

THE MEETING WAS CALLED TO ORDER BY COMMISSIONER PETERSON at 4:15 PM.

MEMBERS PRESENT: Dave Koeppen, Jan Zatloukal, Frazer Peterson, and Brenda Carter.

ABSENT: Bert Osborn, Gary Cox

Also in attendance were Council liaison Ray Wickersham, City Staff Mary Cordova, Kevin Bissell, T-O Engineers, and Cinnamon. Gene Wilkie arrived at 4:30.

APPROVAL OF MINUTES:

Koeppen made a motion to approve the minutes of October 14, 2014 as written. The motion was seconded by Carter and passed by unanimous voice vote.

COMMUNICATIONS:

OLD BUSINESS:

1. Fuel at Airport: The Commission was given updated reports on fuel for October. Mr. Koeppen stated we receive 1800 gallons of avgas and 600 gallons of mogas. Mr. Koeppen noted that we may need to lower the mogas price soon.

NEW BUSINESS:

1. Wilkie Containers. Mr. Wilkie explained to the commission that he has one of the containers almost empty. He believed he had another year on the other one and would like to leave it there for another year. Cordova stated that she believed they were both to be removed by October 1, 2014.
2. CPI on land leases. Cordova explained that this is the time of year when the City prepares to send out hangar land lease invoices. We discussed last year for the Commission to discuss the amount of any proposed CPI increases, and make that recommendation to the City Council. Commissioner Peterson stated that he believes land in Payette County has remained flat or stable over the past year. Commissioner Koeppen moved, and Zatloukal seconded a motion to recommend to the City Council that the CPI increase is not applied to hangar land leases this year based on the current economic conditions of Payette County. All voted in favor of the motion, and the motion CARRIED.

GENERAL DISCUSSION:

1. Update on Runway Extension & Master Plan: Kevin Bissell of Toothman Orton Engineers updated the commission on progress. They have completed the geotechnical work, and survey work, and are currently assembling the survey data into plans. At this point they need to work on a contract with the City for design work, and set a construction start date. Peterson asked when we should start to see construction. Mr. Bissell stated by the end of 2016, we should see a completed runway. Cordova explained that the City would be working with TO to see how to most economically bid out the project, and cross fiscal years for maximum financial benefit. Zatloukal asked when the City's fiscal year ends, and Cordova replied September 30. Mr. Bissell stated that the earth moving portion of the extension project is going to be the greatest expense of the entire project. It could easily be over \$200K. The survey and geotechnical work did not reveal any negative indicators to the project.

CITIZENS COMMENTS: Jan Zatloukal informed the Commission that he had looked at the north end of the runway and determined that two tie down areas could be constructed there. It was discussed that it could be looked at as part of the master plan.

Commissioner Peterson noted that there seems to be a small sinkhole in the asphalt on the east/west taxiway, on the north side between Brenda Carter's hangar, and the D hangars.

NEXT AGENDA: Next meeting date was not discussed.

Commissioner Koeppen made a motion to adjourn the meeting at 4:50 P.M. The motion was seconded by Commissioner Zatloukal and passed by unanimous voice approval.

Recording Secretary
M. Cordova
