OLD BUSINESS

- A. Parks Inventory/i.tree: Gene Gray stated he will get together with Gerry Bates in January at the conference and get more details on the program. We will be able to be specific as to what works for our city. Gary Moen would like to know what we are going to do for our tree inventory.
- B. Hazardous Trees: Letter will be going out to the four property owners soon.
- C. Website questions and sites: Discussion followed on what the commission would like to see added to the Forestry page. They would like an Idaho Power link, Tree City USA, Arbor Day, Tree Selection, INLA, ISA and a link to our tree ordinance.
- D. Tree City USA/Growth Award: Bobbie Black stated that she has submitted the re-cert and growth award to Mr. Bates for review. Discussed points for growth award next year. Talked about sponsoring a tree seminar like what was done 10 years ago. There were over 105 people that attended. The Commission looked at the old agenda and will bring recommendation and possible date to next meeting.

NEW BUSINESS

- A. Idaho Community Forestry Partners: The Commission felt that this was an excellent thing to be a part of.
