AGENDA STATEMENT

To: Honorable Mayor & Members of the Payette City Council
From: Mary Cordova, City Coordinator 
Date: 11/14/2013
Re: FY 14 Airport Aid Program Grant Offer for the Payette Airport

BACKGROUND & JUSTIFICATION:

The City has submitted an application for assistance through the ITD Division of Aeronautics Idaho Airport Aid Program to extend the runway. The expansion is included in the Airport Master Plan, and is a priority project recommended by the Payette Airport Commission.

The task is planned to extend Runway 31 by 500' to the southeast to provide a runway length of 3,500' and width of 50'. A longer runway will enhance safety margins for pilots and will accommodate a wider variety of aircraft at the airport. Construction includes extensive earth moving and hauling in of substantial amounts of fill, and realignment of drainage through and around extension.

Surface prep and asphalt paving of the newly constructed runway extension is planned for the following fiscal year.

FISCAL IMPACT:

The Idaho Airport Aid Program offers the City of Payette a 75%-25% allocation and, the State has agreed to fund \$93,750, with the City obligated to pay at least \$31,250 for a project total of \$125,000.

RECOMMENDATION:

That the Payette City Council approve Resolution 2013-10 authorizing the Mayor to accept and sign the grant offer from the State of Idaho in the amount of \$93,750, for the purpose of obtaining State Aid under Program Number LNS8S75, Project Number SP-04284.A-12, to fund the Payette Airport Runway Extension Project.
