Re: Authorization to donate found bikes

I would ask the City Council of Payette to consider donating approximately 30 found bikes from the City of Payette that were impounded by the Payette Police Department.

These bikes were abandoned and have been held at least 90 days by the police department.

It would be our department's intention to donate these found bikes to Help Them to Hope who has the means to repair and donate these bikes to needy kids in the local area, including Payette, for Christmas gifts.

Sincerely,
