Ordinance No 40

"An ordinance providing for
"the extending of College Street,
"for the taking of private property
"for such public use, and for
"the election and compensation of
"appraisers

Be it ordained by the Mayor
and Council of the City of Coquille

Sec 1 That College Street in
the City of Coquille Oreg is hereby
extended from Front Street to that
certain lane, road, or street running
in a Northerly and Southerly direction
parallel with the Coquille river, and
being the first lane, road or street
East of said Coquille river, and known
as Jarvis Lane. The extension of
College Street as hereby created and
opened shall be 50 feet wide.

Sec 2 - That all property necessary for the said extension of College Street and that is required in creating and opening the said extension of College Street is hereby condemned and appropriated for public use, except such property as has been donated by the owners thereof to the public.

Sec 3 - That adequate compensation shall be made by the City of Payette to the person or persons whose property shall be injured by reason of such Street being extended, and who have not donated their property, such compensation to be determined by five disinterested property holders who shall be elected by the Mayor and Council of the City of Payette at any regular or adjourned meeting thereof. The five persons so to be

elected each to receive as compensation for their services, from the City of Payette the sum of $2.00 per day for the time employed by them in appraising such property

Approved F M Sotonis
Mayor

Attest Geo W Parker
Clerk
