

ORDINANCE NO. 725

AN ORDINANCE AMENDING TITLE 4, CHAPTER 1, SECTION 3(E) OF THE CITY CODE OF THE CITY OF PAYETTE, IDAHO TO REQUIRE ELECTRICAL WIRING IN COMMERCIAL AND INDUSTRIAL INSTALLATIONS, EXCEPT APARTMENT BUILDINGS, TO BE IN METAL RACEWAYS AND TO REQUIRE ELECTRICAL WIRING IN ALL BUILDINGS WITHIN A FIRE ZONE TO BE IN METAL RACEWAYS.

Be It Ordained by the Mayor and Council of the City of Payette, State of Idaho:

That Sections 3(E) 1. and 3(E) 3. of Chapter 1, Title 4, of the City Code of the City of Payette, State of Idaho are hereby amended as follows:

4-1-3(E)1. All electrical wiring in commercial and industrial installations in any zone, with the exception of apartment buildings, shall be in metal raceways.

4-1-3(E)3. ~~In dwelling type occupancies of more than two units or apartments,~~ In all buildings within a fire zone, metal raceways shall be the wiring method.

PASSED AND APPROVED by the Mayor and Council this 18th day of November, 1968.

J. J. Josephson
Mayor of the City of Payette, Idaho

WITNESS:

M. L. Hutchinson
Clerk of the City of Payette, Idaho
