

City of Payette Email Billing Form

The City of Payette is pleased to offer e-billing for interested customers. Rather than receiving a paper bill in the mail, one will be sent to a valid e-mail address on the first of the month. The e-bill will look exactly the same as the paper version with the capability of being printed or saved to your computer. If you are interested in the free service, simply fill out the form below and you can get started with the next billing cycle. All you need is a valid e-mail address and your statement will be delivered to your computer instead of your mailbox. For your convenience, you can e-mail this form to billing@cityofpayette.com, or drop it by City Hall.

Applicant(s) hereby requests that the City of Payette provide utility services. Applicant(s) agrees to pay for the services at the rate, at the time and in the manner required by the Payette City Code and rate resolutions adopted by City Council. Pursuant to Payette City Code there is no reduction in monthly water and sewer base rate fees while the water meter is turned off. Charges for water, sewer, garbage, cart, and fire protection (if applicable) shall continue for the above premises until notice is given by the above Account Holder(s) to the City to discontinue service. Should the utility account for said premises not be paid on or before the 10th day of the month following the accrual thereof, the City of Payette reserves the right to discontinue all water, sewer, garbage, cart and fire protection (if applicable) services for said premises and charge the balance of the utility account against the deposit herein received for.

Applicant(s) agrees that only a representative of the City be allowed to turn on or off any City utility service. The Applicant(s) further agrees to take no action to obstruct, cover meters, or shut off devices or otherwise prevent the City's authorized representative from access.
